Letter from the City Manager

Connect with Colton

Check out the City of Colton Connection catalog, which details summer programs that keep kids engaged, connected, active and focused on expanding their horizons!

Colton programs offer lots of choices, safe and inviting environments, and the chance for children to develop strong bonds with their community. Kids get their fill of thrills through sports; showcase their talents through the arts; reap the rewards of volunteerism; invigorate their imaginations through creative play; explore the outdoors through nature programs; and have adventures galore.

All while making friends and lifelong memories. Summer is the perfect time to bring people together by nurturing a healthy development that helps young people grow up confident, caring and responsible.

Summer was designed to give kids a break from school and help them try new experiences and grow mentally, physically and socially. Whether your child wants to refine a sports skill, get creative, be in a play, learn magic, play classic and electronic games, or explore the great outdoors, Colton has something to offer and "Connect" you to play. Check out the 31 Days of Play on pages 24-25 and help celebrate National Parks & Recreation Month.

So many wonderful things have happened in Colton since my arrival just short on one year ago and I continue to be honored through the many volunteers and employees of the City of Colton each day. Have a great time enjoying the special events prepared by the Community Services Employees, be safe and enjoy the summer!

Stephen P. Compton, City Manager

Bill Smith, Community Services Director/ACM

SWIM LEVELS

Swim level ages may vary, depending on individual swimming ability.

PARENT & ME - Platypus (6 Mos. - 3 yrs.)

- Children will get accustomed to the water and parents will enjoy this learning experience with their child. They will be taught to blow bubbles, float, kick, jump in, as well as play games and sing songs.

LEVEL 1 - Polliwog (3 - 4 ½ yrs.)

- This is a preschool level that helps children start developing positive attitudes and safe practices in and around the water. They will learn front and back glide, putting their face in the water, going underwater, back float, and rolling from front to back.

LEVEL 2 - Tadpoles (3 - 4 ½ yrs.)

- This preschool level helps children become more confident in being submerged in the water, longer glides and floats. Children will begin to learn the basic arm and leg movements for front crawl.

LEVEL 3 - Guppies (3 - 4 ½ yrs.)

- This preschool class is designed to help your child further their skills as they get more independent in the water. They will learn survival floats, changing direction while swimming, and more safety skills.

LEVEL 4 - Turtles (5 - 16 yrs.)

- This class is designed to overview all the basic skills learned in the preschool levels (1-3) for older children.

LEVEL 5 - Seals (5 - 16 yrs.)

- This class is geared toward overview of the more advanced skills learned in the preschool levels (1-3) for the older children.

LEVEL 6 - Walrus (5 - 16 yrs.)

- Participants will begin to learn water entry by jumping in, rotary breathing, treading water, front crawl, and elementary backstroke.

LEVEL 7 - Dolphins (5 - 17 yrs.)

- Participants will learn backstroke, flip turns, back crawl, side-stroke, and beginning breaststroke. Basic water skills will be enhanced and strengthened.

LEVEL 8 - Whales (5 - 17 yrs.)

- This level is to provide further coordination and refinement of the strokes. Students will be encouraged to swim longer distances and work on specific stroke skills.

STAFF SPOTLIGHT

Welcome to the Community Services Department "STAFF SPOTLIGHT" where a different staff member is featured in each issue. These special staff members are recognized for their daily contributions to our department and for their commitment to the Colton Community.

Meet Thomas Robles

Thomas has worked for the Community Services Department since July 2008 when he began as a lifeguard at the tender age of 16. However, Thomas' Colton roots are much deeper than a mere six years of employment with the City of Colton. He is a Colton native, a Colton High School Alumnus, and an active community participant. Additionally, he has the unique point-of-view of being an active participant in Recreation programs as a youth at the Gonzales Center and he was a VolunTEEN in the program's second year.

In the six years of his employment, Thomas has transitioned from a youngster in his first job to a seasoned Senior Recreation Leader who is a leader amongst other Recreation employees. His consistently positive demeanor and outgoing personality make him highly requested by youth, teen, and senior participants. Thomas's strong work ethic, willingness to listen and improve, and consistent desire to provide the highest level of service possible, make him a stellar employee, which is further demonstrated in the frequency in which he is praised, directly by name, by participants in evaluations and surveys.

One of Thomas' the best characteristics is his eager willingness to engage participants in any way necessary, whether it's wearing a cape, singing a song, dressing as Flynn Rider, or just having a conversation, he does it with style. Thomas' charismatic personality isn't just limited to his work hours; off work he's a talented longtime Mexican Folklorico dancer, an actor, singer, cartoon artist, and student. We look forward to Thomas' future success and appreciate his dedication to the Colton Community.

STAFF SPOTLIGHT / WASTE CONTAINERS

Sharps Waste Containers FREE Drop-Off

Recent laws help residents and trash workers avoid exposure to contagious diseases by prohibiting needles, syringes and lancets or "Sharps Waste" from being disposed of in the regular trash. If you generate sharps waste at home, always dispose of it properly.

Be Sharp Safe

Did you know the City of Colton offers two locations for residents to drop-off sharps containers?

HUTTON COMMUNITY CENTER

Give Us Your Best Shot

To celebrate what makes Colton a great place to live, work, and play, we are holding a photography contest. Anyone who takes photos within the Colton city limits is eligible to compete in the “Give Us Your Best Shot” photo contest. The photos do not have to be taken during a specified time frame, but should appear current. Colton Community Services would love to see pictures showing people having exceptional experiences enjoying community events and programs.

Submitting Photographs:

- Entries must be accompanied by a completed contest entry form, which can be found:
 - Online at www.ci.colton.ca.us
 - In person at any Colton community center, library or City Hall.
- All photos entered must be in a digital format, either via email or on a CD.
 - The minimum resolution is 300 dpi (dots per inch). The best option is to keep the photograph at its original resolution - high resolution is preferred. Minor digital enhancements are permitted, but images that have been significantly modified or appear unnatural will be disqualified.
- There are no limits on entries; submit as many digital photographs as you wish.
 - If you are submitting in multiple categories, you must indicate the category name in the file or folder name.
- Only one category per photo. Entries must be submitted by Thursday, July 31@5pm:
 - Via email to ColtonRec@ci.colton.ca.us
 - In person to the Gonzales Center.

Photo Usage:

- All photographs submitted will be considered for use in future Colton promotional materials, in print or online.
- All photographs submitted may be enlarged and framed for display in city facilities.

HOT WEATHER TIPS

- ✓ **Drink plenty of fluids**, even if you do not feel thirsty. Avoid drinks with caffeine or alcohol.
- ✓ **Wear loose-fitting, lightweight, light-colored clothing.** Avoid dark colors because they absorb the sun's rays.
- ✓ **Slow down, stay indoors** and avoid strenuous exercise during the hottest part of the day. Postpone outdoor games and activities.
- ✓ **Take frequent breaks** if you must work outdoors, and use a buddy system when working in excessive heat.
- ✓ **Check on family, friends and neighbors** who do not have air conditioning, who spend much of their time alone or who are more likely to be affected by the heat.
- ✓ **Never leave children or pets alone in enclosed vehicles.**

EMERGENCY FOOD DAYS (COMMODITIES)

The Community Action Partnership of San Bernardino Food Bank gives away food once a month to low-income families in the cities of Colton and Grand Terrace. REPUBLIC
SERVICES

KID'S SAFETY

Here at Republic Services we care about your child's safety. Our trucks go up and down the streets of your community every day. They start and stop a zillion times, and every time the people on a Republic Services truck go out of their way to make sure there are no kids (or adults) who might get hurt. We want your kids to be safe when walking, riding their bikes or scooters. You can help by taking time today to talk to your kids about these important safety tips.

- Cross the street at a crosswalk. Don't cross in the middle of the street or between parked cars. Drivers will have a tough time seeing you. If there isn't a crosswalk, cross at the corner.
- Remember that trucks take a lot longer to stop than cars. It is always best to let the truck go past before crossing the street. Stay out of a trucks "DANGER" zone, that is 15 feet around the vehicle whether it is moving or not.
- Watch out for cars and trucks making right turns. You know how at some crosswalks you're supposed to wait until the pedestrian

IT'S THAT TIME FOR... SPRING CLEANING

Have you been putting off a major cleaning, landscaping or remodeling project because you don't know what to do with all the trash? Well, don't put it off any longer. Republic Services offers a wide variety of collection services to help you with your project including FREE bulk and e-waste collection.

Residents with curbside service may have non-hazardous bulky household items, furniture and appliances, which are too large to fit inside the carts, picked up for FREE up to four times per year. Call Republic Services at 909-370-3377 to schedule a pick up.

(KID'S SAFETY CONTINUED)

- crossing signal starts flashing? Before stepping off the curb, look over your shoulder. Make sure there isn't a car behind you that's about to make a right turn – directly into your path.
- Walk on the sidewalk, not in the street. What about when there is no sidewalk? Experts say you should walk on the left side of the road facing traffic.
- Riding a bike is a lot like driving a car. Cyclist must follow the same rules that cars follow. Make sure your kids wear a helmet as well as, know how to read street signs, make hand signals and which lane to ride in. For more information on bike safety visit: http://www.dmv.ca.gov/pubs/brochures/fast_facts/ffd137.htm

HOLIDAY COLLECTION

If your scheduled service day falls on or after a holiday listed above= then your service day will be delayed by one day. For all other holidays your collection will be on schedule.

THREE SMALL CHANGES TO REDUCE WASTE THIS SUMMER

Even though recycling is a way of life, Americans have nearly doubled the amount of waste they generate each day. According to the Environmental Protection Agency (EPA), the average American generates 4.4 pounds per day compared to 2.7 pounds per

person, per day in 1960. Interestingly enough, with just 6 percent of the world's population, we generate 50 percent of the world's garbage. The benefits of implementing this small change can help preserve the environment while saving you money.

1

GRASSCYCLING

Grass clippings decompose quickly and release valuable nutrients back into the soil. Follow these basic steps to start grasscycling today: Water and fertilize in moderation; keep mower blades sharp; cut grass when it is dry; and never remove more than one third the length of the grass height at once.

2

SMART ART

To make a summertime "smart art" box, start with a big empty box. Ask your family to collect: toilet paper rolls, egg cartons, meat trays, pie tins, cereal boxes, clean Popsicle sticks, scraps of yarn, fabric, beads, corks and magazines and paper. Now go online for creative project ideas!

3

B.Y.O.B.

Bring your own bag when going to the mall or grocery store. If you forget your bag, say "paper" at the checkout. Don't get a new shopping bag for every item—combine bags or put them in your backpack. To recycle plastic bags group them together inside one bag and return them to the grocery store or place them in your recycle cart.

Properly Dispose of Household Hazardous Waste

Did you know that the average home can accumulate as much as 100 pounds of household hazardous waste (HHW) in the basement, garage and in storage closets?

The improper disposal of HHW can create a potential risk to people and the environment. You can help minimize the amount of improper dumping by taking your HHW to local FREE collection centers. Most facilities accept these items:

- Fluorescent Lights
- Motor Oil, Oil Filters
- Cooking Oil
- Auto & Household Batteries
- Outdated Medications
- Weed Killers
- Cleaners
- Auto & Furniture Polish
- Chemical Drain Cleaners
- Pesticides & Fertilizers
- Pool & Hobby Supplies
- Wood Preservatives
- Paints & Paint Products
- Sharps and Lancets
- E-waste—Electronics

To locate a HHW drop-off facility near you, call 800-OILY CAT, or visit sbcfire.org. No Business Waste Accepted.

As an added convenience, e-waste can also be picked up directly from your home.
