## City of Colton Community Services Department

# STAFF SPOTLIGHT

Welcome to the Community Services Department "STAFF SPOTLIGHT" where a different staff member is featured in each issue. These special staff members are recognized for their daily contributions to our department and for their commitment to the Colton Community.

## Meet Suzanne Busch

For this edition of the Colton Connection's "Staff Spotlight," we take great pride in recognizing Suzanne Busch for her contributions through providing literacy services to the City of Colton.

Ms. Busch began her service with the Colton Public Library in 2006 and her decade of dedication and expertise has not gone unnoticed. The library plays an important role within the community with its various amenities and Suzanne's skills and knowledge of adult and family literacy has only amplified the value of Colton Public Library as a whole. At the Advance to Literacy Center, Suzanne encourages her participants to aim higher in their educational skills and goals. As a Literacy Program Assistant, Suzanne has a strong understanding of the community and works tirelessly to connect program participants to quality library resources and services.

When Suzanne is not providing literacy services at the Advance to Literacy Center, she can be found out in the community promoting library programs or even assisting in with library story times. Thank you Suzanne for making the library such a special place to visit!

# Found ONLY at the Advance to Literacy Center

## Preschool Computer Lab

Thursdays, 12:30 to 1:30 p.m.

Kids ages 3-6 will love this opportunity to practice their ABC's and 1-2-3's. This hour is split into two, thirty minute sessions. Parents and their children may attend either, but not both sessions. The program features ABC Mouse and children are encouraged to bring their own earphones. Parents may call (909) 370-1523 to reserve a computer for the current week's session.

## Test Preparation

We are always accepting new students and volunteer tutors in Advance to Literacy. This program focuses on improving basic reading and writing skills. Many students in the program are preparing for tests such as the GED, ASVAB, HiSET and others. Students and tutors meet every week at a time that is convenient for both of them. All study materials are provided by Advance to Literacy, and the program is FREE.

## DMV Written Test Preparation

Thursday, March 9, 3:30 - 4:30 p.m.

Prepare for your DMV test for FREE at Colton Public Library. This class will be held Thursday, November 10 from 3:30 - 4:30 p.m. This class is great for teens, seniors and everyone in between. This is limited to 30 spots, so sign up early. Persons under 18 years of age must be accompanied by an adult. Please do not bring children to this event. You may register on the lower level of the Carnegie Building.

## Adult Basic Computer Class

Tuesdays or Wednesdays, 1:00 - 2:00 p.m.

This 4 week class is designed for adults with little or no experience with personal computers. We will cover typing, Microsoft Word, internet use and computer safety. This class is FREE, but space is limited. Students must register before beginning class.

## Homework Assistance

Monday-Thursday, 3:00 - 6:00 p.m.

**Closed on the second Thursday of every month.** Students in grades 3-8 are invited to Colton Public Library's Homework Assistance Center (HAC). We offer help for the current day's homework. # Colton Recycles

Visit [RepublicServices.com](http://RepublicServices.com) to Learn More about Recycling Waste Services

## Empty. Clean. Dry. The New Way to Recycle

**Reduce. Reuse. Recycle.** Anyone growing up in the 1970s, '80s or '90s learned the three Rs of recycling in school. We were taught to recycle everything we could. We added recycling bins to our homes, our offices and classrooms and recycling became a part of our culture.

In the 40 years since recycling was introduced, Americans recycle nearly 87 million tons per year. That means that each of us recycles approximately 1.5 pounds per day! However, the recycling model we all grew up with is changing, and we have to change with it.

### The New Model of Recycling

Imagine you are preparing to put your recycling and waste by the curb. You had a birthday this weekend, so there are several empty soda cans, a number of tattered paper decorations; multiple birthday card envelopes and half used bottles of ketchup, mustard and mayonnaise in your recycling container. After your recycling is picked up and compacted, the condiment bottles are crushed and burst open, spilling product on everything around them. In addition to attracting bugs and bacteria this incident contaminates many of the highly valuable paper products nearby, making those items unrecoverable.

This scenario unfortunately happens daily across the country, sending tons of recyclable items to the landfill. But by practicing **Empty. Clean. Dry.** with our families we can ensure the recycling materials leaving our homes are in fact recyclable.

Together, we are caretakers of this **Blue Planet**—our home largely covered with blue waters that flow beneath blue skies. It is worthy of every effort we can make to protect it for our children's children.

### Did You Know?

**Ceramics** cannot be recycled with glass and can actually **ruin** an entire batch of recyclables

It takes **92,000** plastic water bottles to equal **1 ton** of recycling

**1 ton** of recycled paper is worth **\$60**

**Empty.** Empty the product

**Clean.** Rinse the container

**Dry.** Shake out excess water or let the product dry before placing it in the container

## Down the Drain = To the Ocean

Did you know...one quart of used oil can contaminate one million gallons of water? California's coastline is one of the state's most precious natural treasures. The coastal waters are home to a wide variety of unique marine environments that support rich biological communities.

Oil spills scar our scenic coast, natural habitats and wildlife. After you save yourself money by conducting oil changes at home, save the earth by recycling the waste oil and filter. Find a local business that will recycle your oil free of charge by calling **800-CLEANUP**.

## Free Bulky Item Collection

Save Landfill Space and Energy by Recycling

Have you been putting off a major cleaning project this year because you don't know how to dispose of bulky items? Well, don't put it off any longer. Visit **RepublicServices.com** or call **909-370-3377** to schedule your FREE bulky item collection today!

## WHY RECYCLE? IT'S STATE LAW!

**CALIFORNIA STATE ASSEMBLY BILLS AB 341 AND AB 1826 REQUIRE BUSINESSES TO RECYCLE.\***

- **AB 341** requires businesses that generate four cubic yards of waste weekly and multi-family housing complexes with five or more units to recycle.
- Beginning January 2017—**AB 1826** requires businesses that generate four cubic yards or more of organic waste per week to recycle.
