PUBLIC WORKS DEPARTMENT NEWS

The Public Works Department is located at 4722 Manhattan Beach Boulevard and can be reached by calling **(310) 973-3260**, Monday through Thursday between the hours of 7:00 a.m. and 6:00 p.m.

2018 Fall and 2019 Winter Capital Improvements Program Update

The Public Works Department is pleased to provide you with this quarterly update of the City's Capital Improvement Program (CIP). The program covers: street, concrete, and traffic improvements (including sidewalk, curb and gutter), parks, and city facilities improvements. Projects are currently under construction or in the planning and design phases.

CURRENT PROJECTS

Traffic Signal Installation Project, Marine and Osage Avenue Intersection: Staff performed a traffic safety study to review vehicle and pedestrian traffic volumes at Marine and Osage avenues. Currently, Marine Avenue has two lanes of travel in each direction and is classified as an east-west minor arterial roadway. There is a marked yellow crosswalk across Marine Avenue on the westerly side of the intersection, along with advanced Slow School Xing markings, overhead flashing beacons, and pedestrian crossing signage. Hartzog and Crabill, Inc., the City's traffic engineering consultant, is working with staff to design a fully actuated traffic signal at the intersection of Marine and Osage avenues. The scope of work for design will include utility research and coordination, potholing, survey, traffic signal plans, signing and striping plans, traffic signal timing and construction cost estimates. The construction phase for this project is anticipated to begin in the latter part of 2018.

Burin House Demolition: The demolition and removal of the City's residential property located at 14720 Burin Avenue (Burin House) has been longtime programmed into the City's Capital Improvement Program. The removal was a requirement established during the development of the City's Harold E. Hofmann Community Center. The project includes demolition and construction of a masonry wall around the property perimeter extending the existing Community Center parking lot. The project is in the design phase and will be funded using Bond Proceeds. The construction phase for this project is anticipated to begin this fall.

Jane Addams Park, Parking Lot Rehabilitation Project: The project includes re-grading of the uneven parking lot surface, removal and replacement of damaged/uneven curbs and sidewalks, and re-striping the parking lot. The project will be funded by the City's general fund. The construction phase for this project is anticipated to begin this coming winter.

Traffic Signal Modification Project, Intersection of Manhattan Beach and Hawthorne Boulevards: Currently, the traffic signal on Manhattan Beach Boulevard does not have a left-turn signal phase for vehicles turning northbound or southbound onto Hawthorne Boulevard. This intersection and signal improvements project will add a protected, permissive left turn in the west and eastbound direction, establish a safer intersection and will enhance traffic mobility on Manhattan Beach Boulevard and Hawthorne Boulevard. The project is currently in the design phase. The construction phase is anticipated to begin in Spring 2019. The project is funded by a Los Angeles County Measure R grant funds.

Grevillea Avenue Street Improvements: This project consists of pavement improvements, street striping, street reconstruction, repair of damaged sidewalks, curb and gutters, and driveways. The project area will be solely along Grevillea Avenue extending from Manhattan Beach Boulevard to Marine Avenue. The project is funded by Community Development Block Grant (CDBG) and Los Angeles County Measure R funds. The project is expected to begin this coming winter.

Road Maintenance and Rehabilitation Project, 2017-18:

This road maintenance project includes the reconstruction of pavement for a number of alleys in the city on the easterly side of Hawthorne Boulevard between W. 163rd Street and W. 166th Streets and W. 167th Street to W. 168th Street. This project will be with funded using Gas Tax Rehab (SB-1) funds. This project is funded by Senate Bill 1, Road Repair and Accountability Act (RRA) road rehabilitation funding, Transportation Development Act (TDA) transportation funding and city general funds. The project is expected to begin this coming winter.

Road Maintenance and Rehabilitation Project, 2018-19:

This project is an investment in the infrastructure of our local streets and roads with a special emphasis on basic maintenance and safety as it relates to pavement improvements, street striping, street reconstruction, repair of damaged sidewalks, driveways and curb and gutter. The project scope will include road work on the following street segments: W. 149th Street from Hawthorne Boulevard to Larch Avenue; W. 160th Street from Hawthorne Boulevard to Freeman Avenue; and W. 167th Street from Hawthorne Boulevard to Freeman Avenue. This project is funded by Senate Bill 1, Road Repair and Accountability Act (RRA) road rehabilitation funding, Transportation Development Act (TDA) transportation funding and Los Angeles County Measure R funds. The project is anticipated to begin this fall.

Concrete Repair Project: The project includes repairing damaged sidewalks, curbs and gutters, cross gutters, alley gutters, curb return ramps, driveways and alley approaches. The project boundaries are as follows: east of Hawthorne Boulevard, south of W. 166th Street, west of 405 Freeway and north of Redondo Beach Boulevard. The project will be funded using Redevelopment Agency Bond Proceeds. The construction phase is anticipated to begin in the fall.

Inglewood Avenue Widening Project: Phase I of the project involves striping of Inglewood Avenue to create a new northbound third lane on Inglewood Avenue from approximately 140 feet south of the railroad tracks. The project also includes upgrades and modifications of traffic signals and signage, driveway approaches, sidewalks, curb ramps, and striping. Phase II of the project involves improvements to the Inglewood Avenue and Marine Avenue intersection which includes: construction of a new 13 feet wide westbound right turn only lane at the northwest corner of Inglewood and Marine avenues, and an extension of the lane approximately 350 feet north. The new right-turn lane requires 15 feet of right-of-way acquisition, relocation of a number of Southern California Edison power poles and street lights, removal and replacement of an existing catch basin and associated piping, driveway approach(es), curb and gutter, and sidewalk, and relocation of existing aboveground features such as signs, bollard posts, private parking light poles, electrical cabinets, pull boxes and a number of other features. As well, minor improvements within privately owned properties where construction impacts are anticipated for the new right turn only lane will be made. The project also consists of grind and overlay of asphalt pavement; upgrade of curb ramps, and street striping. Phase III of the project will widen Inglewood Avenue to provide a third southbound traffic lane from south of W. 147th Street to Marine Avenue. The project will also provide a continuous 10-foot sidewalk from Lawndale High School to Marine Avenue, a raised landscaped median island, traffic synchronization, street striping, and other roadway modifications. The project is currently in the design phase. It is anticipated that the project will be completed in 2019. Funding sources include Los Angeles County Measure R, California State Proposition C and other federal funds.

Capital Improvements Program Update (continued)

COMPLETED PROJECTS

W. 145th Street Improvement Project: This project was identified in the City's Capital Improvement Program for Fiscal Year 2017/2018 and includes road work at W. 145th Street from Condon Avenue to Hawthorne Boulevard. Construction for this project was completed by Sequel Contractors. The project scope addressed poor roadway conditions (extensive alligator cracking and failing base material at several locations), reconstruction of damaged curb and gutter and sidewalk and driveway approaches. In addition, the street was striped and upgrades to the wheelchair ramps were completed to comply with Americans with Disability Act (ADA) standards. The project was funded with Los Angeles County Measure R and Community Development Block Grants (CDBG) funds.

Street Improvement Project: The City's Capital Improvement Program (CIP) identified the following streets for improvements:

- W. 164th Street from Inglewood Avenue to Freeman Avenue
- W. 168th Street from Inglewood Avenue to Prairie Avenue
- W. 170th Street from Inglewood Avenue to Hawthorne Boulevard
- Larch Avenue from Marine Avenue to Manhattan Beach Boulevard
- Osage Avenue from Manhattan Beach Boulevard to W. 167th Street
- Prairie Avenue from North City Limits to south of W. 149th Street
- W. 162nd Street from Firmona Avenue to Hawthorne Boulevard
- Grevillea Avenue alley from W. 166th Street to W. 169th Street, west of Hawthorne Boulevard
- Hawthorne Avenue alley from W. 166th Street to W. 167th Street, east of Hawthorne Boulevard

Street Improvements addressed asphalt pavement repairs, restored roadway gutter-drainage flows and modified as needed to eliminate/diminish street and cross-gutter nuisance water. Repaired damaged sidewalks, curbs and gutters, cross-gutters, alley gutters, curb return ramps, driveway and alley approaches and re-establishment of traffic striping, pavement markers, and signage. The project was completed in March 2018. Funding sources included Measure R, State Gas Tax Revenues, Proposition C, TDA, and STP-L.

SHARPS Collection Program

Republic Services offers the residents of Lawndale, at no additional charge, the collection of used SHARPS. Within one week of requesting such, a pre-paid, postage-paid mail-back container to safely collect used SHARPS and send SHARPS for proper disposal will be delivered to each person requesting a container. Simply call Republic Services at (800) 299-4898 and request your container today!

Recycle Your Organic Waste, It's the Law!

Assembly Bill 1826 requires certain businesses and multi-family complexes with 5 or more units to recycle their organic waste. Organic waste is defined as food waste, food-soiled paper, landscaping waste, and compostable utensils. Multi-family complexes are not required to recycle food waste, but are required to recycle landscaping waste.

Republic Services has an organics recycling program that is available to Lawndale businesses and multi-family complexes at no additional charge. Businesses and multi-family complexes can sign up for landscape and/or organics recycling service by contacting Republic Services at (800) 299-4898.

Do You Have a Green Thumb? Lawndale is Calling All Gardeners!

The Community Services Department is calling all gardeners to McKenzie Gardens and will be accepting applications for new and returning gardeners for the Dan McKenzie Community Garden program.

Dan McKenzie Community Garden is a 44-plot garden located at 4324 W. 160th Street in Lawndale. Each garden plot is approximately four hundred (400) square feet and provides the opportunity for gardeners to grow their own food for personal use and get some exercise while doing so. A garden plot can be leased for a nominal cost for a term of one year beginning on January 1, 2019 and ending on December 31, 2019.

If you have a green thumb and want to become a gardener, or if you are a real gardener and are interested in applying for a garden plot, the Community Services Department will begin accepting applications on Monday, November 5, 2018, at 7:30 a.m. and continuing through Thursday, December 6, 2018, at 3:30 p.m.

Beginning the week of Monday, December 10, 2018, garden plots will be assigned based on a system of priority until all plots have been assigned. Applications can be obtained by visiting the City's website at www.lawndalecity.org, mouse over City Hall Online, mouse click on Forms, scroll down to Community Services and click on McKenzie Garden Application.

Applications can also be obtained by visiting the Community Services Department. For questions pertaining to garden registration procedures, or any other related questions, please contact Kari Conley-Bell at (310) 973-3283, or via email at kconleybell@lawndalecity.org. Applications must be submitted in person at the Harold E. Hofmann Community Center. Early registration is recommended.

Vehicle Safety Tips

Seasons have the effect of wreaking havoc on the perishable parts of our automobiles. Deferred maintenance of these parts may seem benign, but they may actually be vital to your roadway safety.

For a safe winter and holiday season, follow these tips for "winterizing" your vehicle.

- 1. Windshield wipers:** As a rule, windshield wipers should be replaced every six months, or when you notice a difference in driving visibility. When the rubber is compromised from the elements, it becomes more rigid and shrinks, sacrificing complete wiper blade coverage on the curved auto windshields. When wiper blades no longer make proper contact with the windshield surface, they begin to squeak, smear, or streak, reducing driving visibility.
- 2. Tires:** Check the wear on your tires. Balding tires make maneuverability and stopping a greater challenge on wet roadways. How to check your tires: Place a penny, head first, into the tread grooves across the tire. If you see the top of Lincoln's head, then your tire treads are shallow and worn and need to be replaced. Additionally, tire manufacturers recommend that you change your tires every 10 years. A good tire option, especially if you are traveling to diverse winter climates, is all season tires. The tread rubber, tread depth, patterns and biting edges are unique to these tires that increase maneuverability, response and braking in winter and summer seasons.
- 3. Keep your windshield washer fluid tank full.** This will help you keep your windshield free of debris and visible.
- 4. Pack a winter safety kit including:** Pack of matches, first aid kit, flares, flashlight and batteries, warm clothing (extra jacket, socks, boots, hat, blanket), non-perishable food and beverage, jumper cables, and car tool kit.
- 5. Service your vehicle regularly.**
- 6. Maintain proper tire pressure.** Proper tire pressure guidelines can be found on the tire placard in the driver's door jamb, or in the owner's manual.
- 7. Keep your gas tank at least half full.**

Don't Be a Code Enforcement Case!

Over the past few months, the department has received numerous complaints from the public that some are working outside the City's designated construction hours.

Per Lawndale Municipal Code (LMC), construction activities must take place within the following days and hours:

- Monday through Friday, 7:00 a.m. to 7:00 p.m.
- Saturday, 8:00 a.m. to 5:00 p.m.
- Construction activities are prohibited on Sundays and Holidays

Violators will be cited and must appear in court. In addition, heavy fines and additional court fees may apply. Visit www.lawndalecity.org, mouse over City Hall Online at the top of the home page and mouse click on Municipal Code Online for more information.

Recently Completed Projects:

CLIMATE ACTION PLAN (CAP) TO COMPLY WITH ASSEMBLY BILL (AB) 32, THE CALIFORNIA GLOBAL WARMING SOLUTIONS ACT OF 2006, WITHIN THE CITY OF LAWDALE APPROVED BY CITY COUNCIL ON DECEMBER 18, 2017: Staff completed its work in coordination with the South Bay Cities Council of Governments (SBCCOG) to identify programs and undertake activities to develop a non-binding Climate Action Plan (CAP) that includes strategies to reduce the City's greenhouse gas emissions (GHG).

CASE NO: 17-35, CLOSURE OF THE BLUE BONNET MOBILE PARK LOCATED AT 4432 MANHATTAN BEACH BOULEVARD, WITHIN THE CITY OF LAWDALE, CALIFORNIA APPROVED BY CITY COUNCIL ON DECEMBER 4, 2017: The applicant, the Lawndale Successor Agency, formerly the Lawndale Redevelopment Agency, received approval to close down the Blue Bonnet Mobile Home Park which is located at 4432 Manhattan Beach Boulevard on a .41 acre parcel. The Lawndale Redevelopment Agency purchased the Blue Bonnet Mobile Home Park in 2010. After the dissolution of redevelopment agencies statewide in 2012, the mobile home park was transferred to the Successor Agency. The parcel is designated under the City's General Plan Land Use Element as Commercial (C) and zoned Regional Commercial (RC) and is designated on the Agency's Long Range Property Management Plan for sale for redevelopment. Currently, the project site has three (3) residential units, two (2) mobile homes and one (1) single family residential home, occupying the site.

CASE NO. 18-03: AMENDMENTS TO THE CITY'S REGULATIONS REGARDING ACCESSORY DWELLING UNITS APPROVED BY CITY COUNCIL ON APRIL 2, 2018: The goal of the amendments was to further refine the City's Accessory Dwelling Units (ADU) regulations and ensure consistency with State law (Assembly Bill 494 and Senate Bill 229).

AMENDMENTS TO PLANNING COMMISSION POLICY AND PROCEDURES BYLAWS APPROVED BY PLANNING COMMISSION ON MAY 23, 2018: The Planning Commission's Policy and Procedures Bylaws establishes policies and procedures for conducting regular Planning Commission meetings. To improve its operational efficiencies staff periodically reviews the adopted policies and procedures to ensure that operations meet mandated state laws and best practice guidelines.

NO.1146-18:ADOPTINGAMENDMENTSTO THECITY'SREGULATIONS REGARDING COVENANTS OF EASEMENTS APPROVED BY CITY COUNCIL ON JUNE 4, 2018: The ordinance allows for the creation of easement for parcels that are owned by the same property owner. There are situations in which landlocked parcels can be created, such as road abandonment, parcel mergers, and parcel subdivisions. The ordinance protects property owner's property rights by creating an exception to the general rule and allowing for the creation of easements on properties held by a common ownership.

Lawndale Votes in 2018! City Elections Coming in November

Since incorporating as a city in December 1959, the City of Lawndale has held its elections in April of even numbered years. The election was only for the mayor, councilmembers, city clerk and city ballot measures – no other elective offices, county measures or state propositions. But state laws were changed and the city must now hold its election in November. As a result there was no city election in April this year. For further information, call the City Clerk Department at (310) 973-3211.

Back to School Safety Checklist:

Transportation Safety:

Whether your children walk to school, ride their bicycle or take the bus to school, it is extremely important that they take proper safety precautions. Below are some tips to make sure your child safely travels to school.

When Walking to School:

- Review your family's walking safety rules.
- Walk on the sidewalk if one is available. When on a street with no sidewalk, walk facing traffic so you can see the motorists as they travel towards you.
- Before you cross the street, stop and look left, right and left again to see if cars are coming.
- Never dart out in front of a parked car.
- Practice walking to school with your child. Cross streets at crosswalks and controlled intersections when available.

When Riding a Bicycle to School:

- Make sure your child wears his/her helmet when leaving the house.
- Make sure helmet is fitted and secured properly.
- Teach your children the rules of the road.
- Ride on the right side of the road, with traffic, and in a single file.
- Come to a complete stop before crossing the street. Walk your bike when crossing any street.

When Riding the Bus to School:

- Go to the bus stop with your child to teach them the proper way to get on and off the bus.
- Make sure your children stand six feet away from the curb.
- If your child and you need to cross the street in front of the bus, walk on the side of the road until you are 10 feet ahead of the bus. You should be able to see the bus driver, and the bus driver should be able to see you.

School Safety:

Many school-related injuries are completely preventable. Follow these steps to ensure your child's safety at school.

Preventing backpack-related injuries

- Choose a backpack for your child carefully. It should have ergonomically designed features to enhance safety and comfort.
- Don't overstuff a backpack; it should weigh no more than 10 to 20 percent of your child's body weight. For example, a child that weighs 60 pounds should carry a backpack no heavier than 12 pounds.
- Ask your children to use both straps when wearing their backpack to evenly distribute the weight on their shoulders.

Preventing playground-related injuries

- Encourage your child to use playgrounds with a soft surface. Avoid playgrounds with concrete surfaces, as they are too hard if your child falls.
- Children under the age of four should use climbing equipment with assistance and adult supervision and watch out for older children when they're climbing, especially on monkey bars.

Please Clean Up After Your Pet!

The Lawndale Municipal Code (LMC), Section 6.04.020, Animal Defecation, states that it is unlawful for pet owners to allow their dog to defecate and allow that waste to remain upon any public or private property unless the pet owner immediately (1) encloses all waste from the pet in a bag, wrapper or other container and (2) disposes of it in a sanitary manner. The Lawndale Municipal Code also requires that pet owners shall have "doggie bags" in their possession while walking and tending to their pets in public. Please be a good neighbor and clean up after you pet. Violators will be cited and fined.

Actualización del Programa de Mejoras Importantes de Otoño del 2018 y de Invierno del 2019

El Departamento de Obras Públicas se complace en comunicarles la actualización trimestral del Programa de Mejoras Importantes de la Ciudad (CIP). El programa cubre: calles, concreto, mejoras al tráfico (incluyendo banquetas, aceras y coladeras), mejoras a los parques e instalaciones de la ciudad. Los proyectos se encuentran actualmente en construcción o están en su fase de planeación y diseño.

PROYECTOS ACTUALES

Proyecto de instalación de señales de tránsito, intersección de las Avenidas Marine y Osage: El personal realizó un estudio en cuanto a la seguridad de tránsito para revisar los volúmenes de tráfico de vehículos y peatones en las avenidas Marine y Osage. Actualmente, la Avenida Marine tiene dos carriles de tráfico en cada dirección y está clasificada como una vía arterial menor este-oeste. Cuenta con un cruce de peatones marcado en amarillo en la Avenida Marine en el lado oeste de la intersección, junto con modernas marcas para bajar la velocidad por escuela, Slow School Xing, luces intermitentes arriba del cruce, y señalamiento del cruce de peatones. Hartzog y Crabill, Inc., consultores de ingeniería de tráfico de la ciudad, están trabajando con el personal para diseñar una señal de tráfico completamente activada, en la intersección de las avenidas Marine y Osage. El diseño del trabajo incluirá investigación y coordinación de servicios públicos, reparación de baches, encuesta, planes de señales de tránsito, planeación de señalamientos y pintura de las rallas de las calles y presupuestos de costos de construcción. Se espera que la fase de construcción de este proyecto, comenzará a finales del 2018.

Demolición de la Casa Burin: La demolición y remoción de la propiedad de la ciudad está ubicada en el 14720 de la Avenida Burin (Casa Burin) se había programado ya por largo tiempo en el programa de Mejoras Importantes de la Ciudad. La remoción fue un requisito impuesto durante el desarrollo del Centro Comunitario de la Ciudad, Harold E. Hofmann. El proyecto incluye demolición y construcción del muro de mampostería alrededor del perímetro de la propiedad, extendiendo el estacionamiento actual del Centro Comunitario. El proyecto se encuentra en su fase de diseño y será financiado usando los ingresos de bonos. Se espera que la fase de construcción de este proyecto comience este otoño.

Proyecto de rehabilitación del estacionamiento del Parque Jane Addams: El proyecto incluye nivelar la superficie dispereja del estacionamiento, remover y reponer las banquetas dañadas y disperejas y volver a pintar las rallas del piso del estacionamiento. El proyecto será financiado por el fondo general de la ciudad. Se espera que la fase de construcción de este proyecto comience este invierno.

Proyecto de modificación de señales de tránsito, intersección de los Bulevares Manhattan Beach y Hawthorne: Actualmente la señal de tránsito del Bulevar Manhattan Beach no tiene señal para dar vuelta a la izquierda para los vehículos que van hacia el norte o hacia el sur en el Bulevar Hawthorne. Este proyecto de mejoras a la intersección y la señal, agregará una vuelta a la izquierda permitida y protegida en dirección oeste y este, teniendo una intersección más segura y mejorará la movilidad del tráfico en el Bulevar Manhattan Beach y el Bulevar Hawthorne. El proyecto se encuentra actualmente en su fase de diseño. La fase de construcción se anticipa que comience a principios de la primavera del 2019. El proyecto es financiado por fondos de la Medida F del Condado de Los Ángeles.

Mejoras a la Avenida Grevillea: Este proyecto consiste en mejoras al pavimento, rallas de calles, reconstrucción de calles, reparación de banquetas, cunetas y vías de acceso a las cocheras dañadas. El área del proyecto será solamente por la Avenida Grevillea, extendiéndose del Bulevar Manhattan Beach, hasta la Avenida Marine. El proyecto será financiado por la subvención de Community Development Block Grant (CDBG) y fondos de la Medida R del Condado de Los Ángeles. Se espera que el proyecto comience este invierno.

Proyecto de mantenimiento y rehabilitación vial, 2017-18: Este proyecto de mantenimiento vial incluye la reconstrucción del pavimento de algunos callejones de la ciudad en el lado este del Bulevar Hawthorne entre la Calle 163 y la Calle 166 y de la Calle 167 a la 168. Este proyecto será financiado con fondos de Gas Tax Rehab (SB-1). Este proyecto es financiado por la Ley 1 del Senado, la Ley de Rehabilitación de Caminos (Accountability Act) (RRA), la Ley de Desarrollo y Transportación para Rehabilitación Vial, (Transportation Development Act) (TDA) fondos de transportación y fondos generales de la ciudad. Se espera que el proyecto comience este invierno.

¡Recicle su desecho orgánico, es la ley!

El Proyecto de Ley 1826 requiere que ciertos negocios y complejos multifamiliares con 5 o más unidades, reciclen su desecho orgánico. El desecho orgánico se define como desecho de alimentos, papel con restos de alimentos, desecho de jardín y utensilios para abono. No se requiere que los complejos multifamiliares reciclen desecho de alimentos, pero deben reciclar desecho de jardín.

Republic Services tiene un programa de reciclaje de desechos orgánicos, disponible para los negocios y complejos multifamiliares de Lawndale sin costo adicional. Los negocios y complejos multifamiliares pueden inscribirse para el servicio de reciclaje de materiales orgánicos, contactando a Republic Services al (800) 299-4898.

Santa Claus viene a nuestra ciudad y va a ver quién se portó bien y quién se portó mal

Apenas estamos en otoño, sin embargo Santa ya está planeando visitar Lawndale por dos semanas, comenzando el lunes 26 de noviembre de 2018 y hasta el 7 de diciembre de 2018, antes de regresarse al Polo Norte para prepararse para la Navidad. Marquen sus calendarios y preparen a los niños para divertirse con Santa Claus cuando venga a su vecindario. Santa estará acercándose a sus vecindarios aproximadamente a las 6:00 p.m. todas las noches.

Por favor vea en la página 4 el recorrido de Santa.

¿Tiene buena mano para jardinería? Lawndale está llamando a todos los jardineros.

El Departamento de Servicios Comunitarios está llamando a todos los jardineros para que vengan al Jardín McKenzie, se aceptarán las solicitudes para jardineros nuevos y los que regresen al programa del Jardín Comunitario Dan McKenzie.

El Jardín Comunitario Dan McKenzie es un jardín de 44 parcelas ubicado en el 4324 al oeste de la calle 160 en Lawndale. Cada parcela es de aproximadamente cuatrocientos (400) pies cuadrados y brinda la oportunidad a los jardineros de cosechar sus propios vegetales para uso personal y al mismo tiempo, hacer un poco de ejercicio. Una parcela se puede rentar por un costo nominal por un año, comenzando el 1º de enero de 2019 y terminando el 31 de diciembre de 2019.

Si tiene buena mano para la jardinería y quiere ser jardinero, o si ya es un jardinero y está interesado en solicitar para una parcela, el Departamento de Servicios Comunitarios empezará a recibir solicitudes el lunes 5 de noviembre de 2018, a las 7:30 a.m. y hasta el jueves 6 de diciembre de 2018, a las 3:30 p.m.

Comenzando la semana del lunes 10 de diciembre de 2018, las parcelas serán asignadas de acuerdo a un sistema de prioridad, hasta que todas las parcelas hayan sido asignadas. Las solicitudes pueden obtenerse visitando el sitio Web de la ciudad en www.lawndalecity.org, City Hall Online, haga clic con el mouse en Forms, baje a Community Services y haga clic en McKenzie Garden Application.

Las solicitudes también pueden obtenerse en el Departamento de Servicios Comunitarios. Para preguntas sobre las solicitudes para los jardines/parcelas, o cualquier otra pregunta relacionada con los mismos, favor de contactar a Kari Conley-Bell al (310) 973-3283, o por correo electrónico en kconleybell@lawndalecity.org. Las solicitudes deben presentarse en persona en el Centro Comunitario Harold E. Hofmann. Se recomienda inscribirse lo más pronto posible.

Consejos de Seguridad para los Vehículos

Las estaciones tienen el efecto de causar estragos en las partes percederas de nuestros automóviles. El mantenimiento diferido de estas partes puede parecer benigno, pero podría ser vital para su seguridad vial.

Para tener un invierno seguro, así como para las fiestas Navideñas, siga los siguientes consejos para mantener su vehículo en buenas condiciones para este invierno.

- 1. Limpiaparabrisas:** Como una regla, los limpiaparabrisas deben ser repuestos cada seis meses o cuando note una diferencia en su visibilidad al manejar. Cuando el hule se vea dañado por los elementos, si se pone rígido o encoje, comprometiendo completamente la cobertura para limpiar el parabrisas. Cuando las escobillas ya no hagan contacto adecuado con la curva del parabrisas, si empiezan a rechinar, a rallar o a reducir la visibilidad al manejar.
- 2. Las llantas/los neumáticos:** Revisar el desgaste de las llantas. Los neumáticos lisos hacen que el maniobrar y detener el auto sea un reto mayor en carreteras mojadas. ¿Cómo revisar sus llantas? Meta una moneda de un centavo, con la cabeza de Lincoln hacia el frente, entre las ranuras del neumático. Si ve la parte de arriba de la cabeza de Lincoln, es que la suela del neumático es poco profunda y está desgastada y tiene que ser repuesta. Además los fabricantes de los neumáticos recomiendan que cambie sus llantas cada 10 años. Una buena opción de un neumático, especialmente si maneja por diferentes climas invernales, es usar neumáticos para toda temporada. La rodada del neumático, la profundidad, los patrones y las orillas del neumático son únicas en estas llantas que aumentan la maniobrabilidad, la respuesta y el frenado durante las estaciones de invierno y verano.
- 3. Mantenga lleno el tanque de líquido del limpiaparabrisas.** Esto ayudará a mantener sus parabrisas visible y sin basura.
- 4. Empaque un estuche de seguridad para el invierno incluyendo:** Una cajita de cerillos, un botiquín de primeros auxilios, linterna y pilas, ropa para frío (chamarras extra, calcetines, botas, gorro, cobija), alimentos y bebidas que no perezcan, cables para pasar carga a la batería y un estuche de herramientas para auto.
- 5. Dele mantenimiento a su vehículo regularmente.**
- 6. Mantenga la presión adecuada en sus neumáticos.** Las reglas de la presión adecuada se pueden encontrar en la placa de información de llantas en el interior de la puerta del chofer, o en el manual del propietario.
- 7. Mantenga su tanque de gasolina por lo menos a la mitad.**

¡No sea un caso de Incumplimiento al código!

En los últimos meses, el departamento ha recibido varias quejas del público de que se están llevando a cabo trabajos pasándose de las horas de construcción designadas por la ciudad.

De acuerdo al Código Municipal de Lawndale (LMC), las actividades de construcción se deben llevar a cabo dentro de los siguientes días y horas:

- De lunes a viernes de 7:00 a.m. a 7:00 p.m.
- Sábado de 8:00 a.m. a 5:00 p.m.
- Las actividades de construcción están prohibidas los domingos y días feriados

A los violadores de este horario se les dará una infracción para presentarse en el tribunal. Además se podrían aplicar multas considerables y costos adicionales del tribunal. Visite www.lawndalecity.org, ponga el cursor sobre City Hall Online en la parte de arriba de la página y haga clic sobre Municipal Code Online para obtener mayor información.

CASO NO: 17-35, CIERRE DEL PARQUE BLUE BONNET DE VIVIENDAS MÓVILES UBICADO EN EL 4432 DEL BULEVAR MANHATTAN BEACH, EN LA CIUDAD DE LAWDALE, CALIFORNIA, APROBADO POR EL CONSEJO DE LA CIUDAD, EL 4 DE DICIEMBRE DE 2017: El solicitante, la Agencia Sucesora de Lawndale, anteriormente llamada la Agencia de Desarrollo Urbano de Lawndale, recibió la aprobación de cerrar el Parque Móvil Blue Bonnet, ubicado en el 4432 del Bulevar Manhattan Beach, que se encuentra en un lote de .41 acres. La Agencia de Desarrollo Urbano de Lawndale compró el Parque Móvil Blue Bonnet en el 2010. Después de la disolución de las agencias de desarrollo por todo el estado, en el 2012, el parque móvil fue transferido a la Agencia Sucesora. La parcela está designada bajo el plan general de la ciudad, uso de elemento como comercial (C) y comercial regional zonificado (R) y está designado al Plan de Administración de Propiedades de la agencia a largo plazo a la venta, por el redesarrollo. Actualmente el lugar de este proyecto tiene tres (3) unidades residenciales, dos (2) casas móviles y una (1) casa residencial unifamiliar, ocupando el lugar.

CASO NO. 18-03: ENMIENDAS A LOS REGLAMENTOS DE LA CIUDAD, CON RESPECTO A LAS UNIDADES DE VIVIENDA COMPLEMENTARIAS APROBADAS POR EL CONSEJO DE LA CIUDAD EL 2 DE ABRIL DE 2018: La meta de las enmiendas es refinar los reglamentos de las unidades de vivienda complementaria de la ciudad, (ADU) y asegurar consistencia con la Ley Estatal (Proyecto de Ley 494 y Proyecto de Ley 229).

LAS ENMIENDAS A LAS POLÍTICAS DE LA COMISIÓN DE PLANIFICACIÓN Y PROCEDIMIENTOS DE ESTATUTOS APROBADOS POR LA COMISIÓN DE PLANIFICACIÓN DE MAYO DE 2018: Los procedimientos a los estatutos y políticas de la comisión de planificación, establecen políticas y procedimientos para llevar a cabo juntas regulares de la Comisión de Planificación. Para mejorar sus eficiencias operacionales, el personal revisa periódicamente las políticas y procedimientos adoptados para asegurar que las operaciones cumplan con las leyes estatales y directrices de prácticas idóneas.

NO. 1146-18: ADOPCIÓN DE ENMIENDAS A LOS REGLAMENTOS DE LA CIUDAD EN CUANTO A CONVENIOS DE SERVIDUMBRES, APROBADOS POR EL CONSEJO DE LA CIUDAD EL 4 DE JUNIO DE 2018: La ordenanza permite la creación de servidumbre de parcelas que pertenecen al mismo dueño. Existen situaciones en que las parcelas sin litoral pueden ser creadas como por abandono de carreteras, fusión de parcelas y subdivisión de parcelas. La ordenanza protege los derechos de propiedad del propietario, creando una excepción a la regla general y permitiendo la creación de servidumbres de propiedades sostenidas por participación común.

Lista de Seguridad de Regreso a la Escuela:

Seguridad en la Transportación:

Ya sea que sus hijos caminen a la escuela, vayan en bicicleta o tomen el autobús, es muy importante que tomen las debidas precauciones. A continuación tenemos algunos consejos para asegurar que sus hijos estén a salvo al ir a la escuela.

Al Caminar a la Escuela:

- Repase las reglas de seguridad al caminar con su familia.
- Camine por la banqueta, si es que hay banqueta disponible. Cuando se encuentre en una calle sin banqueta, camine dándole de frente al tráfico para que pueda ver a los motoristas cuando vienen hacia usted.
- Antes de cruzar la calle, pare, mire a la izquierda, a la derecha y a la izquierda otra vez para ver si vienen carros.
- Nunca se atraviese apresuradamente en frente de un auto estacionado.
- Practique caminar a la escuela con su hijo(a). Cruce la calle en el cruce de peatones y en las intersecciones controladas cuando las haya disponibles.

Al ir en bicicleta a la escuela:

- Asegúrese que su hijo(a) se ponga su casco al salir de la casa.
- Asegúrese que el casco le quede bien y se asegure adecuadamente.
- Enseñe a sus hijos a obedecer las reglas de tránsito.
- Ande en la bicicleta en el lado derecho de la calle, en la misma dirección del tráfico y en una fila.
- Párese completamente antes de cruzar la calle. Camine junto a su bicicleta al cruzar cualquier calle.

Al ir a la escuela en autobús:

- Vaya a la parada del autobús con su hijo(a) y enséñele la manera apropiada de subirse y bajarse del autobús.
- Asegúrese que sus hijos se paren a seis pies de la orilla de la banqueta.
- Si usted y su hijo necesitan cruzar la calle en frente del autobús, camine a un lado de la calle hasta que esté a 10 pies adelante del autobús. Debe poder ver al conductor del autobús y que el conductor pueda verlo a usted.

Seguridad en la Escuela:

Muchas lesiones ocurridas en relación con la escuela, se pueden evitar completamente. Siga estos pasos para asegurar que su hijo(a) esté a salvo en la escuela.

Evite lesiones relacionadas con las mochilas

- Escoja cuidadosamente una mochila para su hijo(a). Debe tener características diseñadas ergonómicamente para mayor seguridad y comodidad.
- No la rellene de más. No debe pesar más de 10 a 20 por ciento del peso de su hijo(a). Por ejemplo, si su hijo(a) pesa 60 libras, debe cargar una mochila que pese no más de 12 libras.
- Pídale a sus hijos que se pongan las dos correas de sus mochilas, para distribuir uniformemente el peso sobre sus hombros.

Evite lesiones relacionadas con las áreas de juegos

- Aliente a su hijo(a) a que juegue en áreas de juegos con superficies suaves. Evite áreas de juegos con superficies de concreto porque son demasiado duras para las caídas de los niños.
- Los niños menores de cuatro años deben usar el equipo para treparse, con ayuda de un adulto que los supervise y poner atención a los niños mayores cuando se trepan, especialmente en las barras de cambio.

¡Favor de limpiar tras su mascota!

El Código Municipal de Lawndale (LMC), Sección 6.04.020, Defecación de Animales, establece que es ilegal que los dueños de mascotas permitan que su mascota defaque y que usted permita que la suciedad quede en cualquier propiedad pública o privada, a menos que el dueño de la mascota, inmediatamente (1) levante la suciedad en una bolsa para suciedades de mascotas, o envueltas en algo o en otro tipo de envase y (2) disponga de las mismas, en una manera sanitaria. El Código Municipal de Lawndale también requiere que los dueños de las mascotas, traigan "bolsas para las suciedades de los perros", cuando estén caminando y cuidando a sus mascotas en público. Por favor sea un buen vecino y limpie tras su mascota. A los violadores de este código se les infraccionará y se les multará.

Para tener acceso al Código Municipal de Lawndale, visite www.lawndalecity.org, ponga el cursor sobre City Hall Online arriba de la página y haga clic en Municipal Code en línea y ahí está.
