LA County Introduces New Voting Platform

In 2020, the Los Angeles County Registrar-Recorder's Office will introduce its new voting platform, Voting Solutions for All People. This system was custom designed just for Los Angeles County voters.

In Los Angeles County, the former polling places have been upgraded to Vote Centers. Voters now have the option to cast a ballot in-person at any Vote Center in Los Angeles County. Vote Centers look and feel like polling places, but provide additional modern features to make voting easy and convenient, such as the Ballot Marking Device.

The Ballot Marking Device (BMD) makes it easy for voters to customize the voting experience to fit their needs. Voters can access 13 languages, adjust the touch screen to a comfortable angle, change the display settings such as text size and contrast, or navigate through the ballot using the audio headset and control pad.

In addition, having a single day to vote in person at a dedicated location is now a thing of the past. Voters in Los Angeles County will now have 11 consecutive days to vote in person at any Vote Center in Los Angeles County.

Census 2020, It's Important!

Census 2020 FAQ's:

When does Census 2020 take place?

- Starting in mid-March, homes across the country will begin receiving an invitation to participate in Census 2020.

The best way to avoid a visit from a census taker is to fill out the Census 2020 questionnaire online, by phone, or by mail as soon as you receive your invitation to participate.

Who is required to respond?

- Everyone living in the 50 states, District of Columbia, and five U.S. territories (Puerto Rico, American Samoa, the Commonwealth of the Northern Mariana Islands, Guam, and the U.S. Virgin Islands) is required by law to be counted in Census 2020.

Why is Census 2020 so important?

- Census 2020 results help determine how billions of dollars in federal funding flow into states and communities each year.
- The results determine how many seats in Congress each state gets.

What about my personal information, is it protected?

- Your information is protected under Title 13 of the U.S. Code. When you respond to the census, your answers are kept anonymous. They are used only to produce statistics. The U.S. Census Bureau is bound by law to protect your answers and keep them strictly confidential. The law ensures that your private information is never published. By law, the Census Bureau cannot release any identifiable information about you, your home, or your business, even to law enforcement agencies.

What is the importance of the data?

- The results of the Census 2020 will help to make informed decisions about allocating hundreds of billions of dollars in federal funding to communities across the country for hospitals, fire departments, school lunch programs, and other critical programs and services.

How does the census help communities?

- Census 2020 data helps communities respond to natural disasters and secure funding for hospitals and fire departments.
- Census 2020 results affect your community every day. Results affect planning and funding for healthcare, including programs such as Medicaid, Medicare Part B, State Children's Health Insurance, and the prevention and treatment of substance abuse.
- Census 2020 results affect planning and funding for education, including programs such as Head Start, Pell Grants, school lunches, rural education, adult education, and grants for preschool special education.

What if a Census 2020 worker comes to my home?

- In May, census takers will begin visiting homes that haven't responded to the census to help ensure everyone is counted. If someone visits your home to collect information for Census 2020, check to make sure that they have a valid ID badge, with their photograph, a U.S. Department of Commerce watermark, and an expiration date.

Where can I complete Census 2020?

Those without a computer can complete their Census 2020 questionnaire at the Lawndale Community Center Computer Lab during the following days and times: Monday – Thursday, 8:00 a.m. to 7:00 p.m., Friday, 8:00 a.m. to 3:00 p.m. and Saturdays, 10:30 a.m. to 1:30 p.m. The computer lab will be closed on the following Saturdays: March 21st, April 4th, April 25th and May 30th.

NOTICIAS Y ANUNCIOS SOBRE LA COMUNIDAD

¡Censo del 2020, es importante!

Censo del 2020, preguntas frecuentemente hechas:

¿Cuándo se llevará a cabo el Censo del 2020?

- Comenzando a mediados de marzo, los hogares por todo el país, empezarán a recibir una invitación para participar en el Censo de 2020. La mejor manera de evitar la visita de alguien que tome el censo, es llenando el cuestionario en línea, por teléfono o por correo electrónico, en cuanto reciban la invitación de participar.

¿Quién debe responder?

- Todos los que vivan en los 50 estados, Distrito de Columbia y los cinco territorios de los Estados Unidos, (Puerto Rico, Samoa Americana, la mancomunidad de las Islas Marianas del Norte, Guam y los territorios estadounidenses de las Islas Vírgenes) se requiere por ley que sean contados en el Censo del 2020.

¿Por qué es tan importante el Censo del 2020?

- Los resultados del Censo 2020 ayudan a determinar cómo fluyen cada año, los miles de millones de dólares de fondos federales, en los estados y las comunidades.
- Los resultados determinan cuántos escaños recibe cada estado en el congreso.

¿Mi información personal está protegida?

- Su información está protegida bajo el Título 13 del Código de los Estados Unidos. Cuando usted responda al censo, sus respuestas quedarán anónimas. Se usarán solamente para estadísticas. La oficina del Censo de los Estados Unidos está obligada por ley a mantenerlas confidenciales. La ley asegura que su información privada nunca se publique. Por ley, la oficina de Censo, no puede dar ninguna información identificable sobre usted, su hogar, o su negocio, incluyendo a las autoridades policiales.

¿Cuál es la importancia de la información?

- Los resultados del Censo de 2020 ayudarán a tomar decisiones informadas sobre cómo asignar los miles de millones de dólares de fondos federales por todo el país, para hospitales, departamentos de bomberos, programas de alimentos de las escuelas, y otros servicios y programas críticos.

¿Cómo ayuda el Censo a las comunidades?

- La información del Censo de 2020 ayuda a las comunidades a responder a los desastres naturales y asegurar fondos para hospitales y departamentos de bomberos.

¿Y si el representante del Censo 2020 viene a mi casa?

- En mayo, los individuos encargados de tomar el Censo, comenzarán a visitar los hogares que no hayan respondido al Censo, para asegurarse que todos sean contados. Si alguien visita su hogar para obtener información para el Censo 2020, asegúrese que traigan su identificación, con su fotografía, con la marca del Departamento de Comercio de los Estados Unidos, y su fecha de vencimiento.

Feria de Salud y Seguridad, y de Mascotas

Cada verano en junio, la ciudad de Lawndale patrocina su Feria Anual de Salud y Seguridad, y de Mascotas en el Parque Jane Addams. El evento está copatrocinando por el Departamento de Servicios Comunitarios y el Departamento de Servicios Municipales y está diseñada para informar a los residentes y sus visitantes sobre los adelantos y los servicios disponibles para el público para mejorar su salud y su calidad de vida, así como brindar información a los asistentes sobre servicios y productos para sus mascotas.

El año pasado, más de 40 abastecedores asistieron al evento para brindar información a más de 500 asistentes con respecto a tales servicios como corazón y salud cardiovascular, cuidado dental y de visión y opciones para ejercicio. Para los amantes de las mascotas, los abastecedores brindaron información con respecto a seguro de mascotas, albergues para mascotas y servicios de spa. Además, alimentos innovadores y juguetes especiales para mascotas y también se brindó atención de veterinarios a los participantes, para vacunar y registrar a sus mascotas; todo a la vez.

El evento se llevará a cabo en el Parque Jane Addams, el sábado 6 de junio de 2020. Como siempre, los residentes y invitados están invitados a venir con sus familias y mascotas a probar y ver los productos innovadores, y los servicios que se ofrecen. El evento es gratuito y incluye presentaciones profesionales de la salud y especialistas en la salud de animales. También habrá camiones de comida disponibles y un 'petting zoo' para niños. Por favor venga con nosotros a este maravilloso evento.
