Have You Heard About the Lawndale Travel Club?

The Lawndale Travel Club is for seniors who are at least 50 years of age. Each month the club takes one day trip and on alternating months the club takes one three day-two night casino trip. To find out about becoming a member, please attend a monthly membership meeting. The club meets the third Tuesday of each month at 1:30 p.m. in the City Hall Council Chamber. For more information, please call the Community Services Department at (310) 973-3270.

USDA Free Food Program

The City of Lawndale's Commodities Program is open to people of all ages who qualify that are in need of food. The food is supplied by the Food Bank of Southern California and the United States Department of Agriculture (USDA). The food bank obtains and distributes donations of nutritious food that the City of Lawndale picks up from the warehouse, packs, and distributes weekly. The food received each week varies and oftentimes consists of canned goods and some type of fresh produce.

Food Distribution Information:

Food distribution is located at the Lawndale Community Center, located at 14700 Burin Avenue, in the third floor Main Event Room. Food is distributed every Wednesday at 10:00 a.m. on a first come, first served basis to those who qualify until all food is gone. Lines to obtain food form early. Those obtaining food must provide signature confirming that EFAP guidelines are met. For more information, please contact the Community Services Department office at (310) 973-3270.

Looking for Dependable Transportation?

The Lawndale Beat Fixed-Route Transit offers effective transportation solutions within the City of Lawndale at a reasonable cost, and in many cases free of charge. The Lawndale Beat is a seven day per week service consisting of two routes, the Residential and the Express. The Lawndale Beat will get you nearly anywhere you want to go in Lawndale and links to neighboring transportation systems, such as: Metro, Torrance Transit and Beach Cities (Redondo) Transit, at the Metro Green Line Station and the South Bay Galleria.

The Lawndale Beat operates Monday thru Friday, 7:00 a.m. to 6:35 p.m.; Saturdays, 8:40 a.m. to 5:55 p.m.; and Sundays, 9:20 a.m. to 5:45 p.m., with the exception of New Year's Day, Thanksgiving and Christmas. Fares are an incredible \$0.75! Seniors 62 years of age and older, disabled, children 6 years and younger (with a paying adult) may ride free of charge. One free transfer per passenger is available for connection to one of the neighboring transportation systems. Save money, save gas and help the environment by keeping cars off the road. Ride the Lawndale Beat today! For more information, including trip schedules, visit www.lawndalecity.org, Community Services Department, Lawndale Beat Bus, or contact the Community Services Department at (310) 973-3270.

COMMUNITY NEWS AND EVENTS

Lawndale CityTV Moves to Channel 3

There have been big changes in both technology and state law that affect how and where residents can watch local television made especially for Lawndale. Therefore, Lawndale's television channel is changing its name to Lawndale CityTV to better serve its viewers. To make things simpler, now you will find Lawndale CityTV on Channel 3 in both the Time Warner cable and the Verizon FiOS cable systems. We'll still bring you all the great local programs that you expect, such as City Council meetings, high school sports and other types of fine community programming. Also, the Lawndale Community Television Bulletin Board is getting its own 24/7 channel. Now you will also be able to view important messages and information about the City and other community events and programs on Channel 22 in the Time Warner cable system and on Channel 29 in the Verizon FiOS cable system. As times change you can count on Lawndale CityTV to be there for you.

Lawndale Certified Farmer's Market

Did you know that Lawndale has its own certified Farmer's Market? Why travel when you can buy your organic fruits and vegetables right here in Lawndale from friendly farmers for reasonable prices? When you purchase food at Lawndale's Certified Farmer's Market, you are supporting "green" and "healthy" living.

The Lawndale Certified Farmer's Market operates each and every Wednesday from 2:00 p.m. to 7:00 p.m. on the lawn of the Lawndale Library right next to City Hall. In case you have never been to Lawndale's Farmer's Market, you can find it at 14615 Burin Avenue near the intersection of Burin Avenue and 147th Street, just one block west of Hawthorne Boulevard.

The Lawndale Farmer's Market also provides good food prepared right on the spot while you wait. So, if you are interested in good food and good company, visit Lawndale's Certified Farmer's Market on any Wednesday. You will not be disappointed!

Free Summer Meals Program

The Lawndale Elementary School District is pleased to be offering **FREE** and nutritious summer breakfasts and lunches to all children, ages 1 - 18, in our community.

Summer 2012 Capital Improvements Program Update

The Public Works Department is pleased to provide you with this status report regarding the City's Capital Improvement Program (CIP). The five categories of CIP projects include: 1) street improvements; 2) concrete improvements (sidewalk, curb and gutter); 3) traffic improvements; 4) park improvements; and 5) city facilities improvements. A number of projects are currently under construction or are in the planning and design phase.

CURRENT PROJECTS

Firmona Avenue Storm Drain Improvement Project – The project area covers Firmona Avenue from Manhattan Beach Boulevard to 162nd Street. This project will enhance the storm drain system on Firmona Avenue and relieve the flooding that occurs on Firmona Avenue and its adjacent streets during rains. The City Council contracted the Los Angeles County Public Works for development of design and specifications for bid purposes. Project design modifications have been completed and construction is scheduled to begin this summer. The project is funded by an EPA grant, General Fund, and Proposition 1B funds and has an estimated cost of \$700,000.

Prairie Avenue Resurfacing Project – The City entered into a joint powers agreement with Los Angeles County to resurface the deteriorated roadway pavement on south Prairie Avenue. The area to be resurfaced will cover Prairie Avenue from just south of Manhattan Beach Boulevard to Redondo Beach Boulevard. Construction for this project is expected to begin in early 2012 and is scheduled to be completed within five months. The Los Angeles County Department of Public Works is lead agency on this project and will determine the final schedule. The project is funded by Proposition C, Highway Thru Cities, and Metro Surface Transportation funds. The total estimated cost of this project is \$741,600.

ARRA HVAC Upgrades – As part of the American Recovery and Reinvestment Act (ARRA), the California Energy Commission (CEC) administered an Energy Efficiency and Conservation Block Grant (EECBG) program to help small cities and counties complete cost effective energy efficiency projects. Through this program, Lawndale has upgraded the HVAC system at the Community Center North building. The HVAC upgrades project is currently in construction and is expected to be completed this month. The total estimated cost for this project is \$150,000. The project will reduce energy consumption and cost while reducing Lawndale's carbon footprint.

Manhattan Beach Boulevard/Firmona Avenue Traffic Signal Modification Project – The City recently was awarded a California Department of Transportation (CALTRANS) grant to modify the traffic signal located at the intersection of Manhattan Beach Boulevard and Firmona Avenue. This modification will improve traffic safety for vehicles traveling westbound as they turn south onto Firmona Avenue, by incorporating a left turn green arrow. The project is currently in the design phase and construction is expected to start in September 2012. The total estimated cost of the project is \$240,000 and will be funded by the federal Highway Safety Improvement Program.

Hawthorne Boulevard Roadway Rehabilitation – The project will rehabilitate the southbound lanes of Hawthorne Boulevard, just south of 154th Street to 147th Street and consists of asphalt grind and overlay, resetting of traffic loops, and roadway striping. Construction is underway and is expected to be completed in June. The estimated project cost is \$306,000 and is funded with Proposition C dollars.

Hawthorne Boulevard Concrete Improvements – The project will address areas of needed improvements along Hawthorne Boulevard, including: sidewalk, driveway approach, curb and gutter, and brick ribbon. The project bidding process is anticipated to begin in June with construction scheduled to take place in July.

145th Street and Manhattan Beach Boulevard South Alley Project – The project will occur along 145th Street (between Hawthorne Boulevard and Larch Avenue) and along the Manhattan Beach Boulevard south alley (between Freeman Avenue and Prairie Avenue). The project will include the reconstruction of payment, curb and gutter, the repair of driveway approaches and sidewalk and roadway striping. The bid opening for this project is anticipated to be in June, with the start of construction following in July 2012. The project total cost is estimated to be \$400,000 and will be funded by Community Development Block Grant (CDBG) funds.

PROJECTS ON HOLD:

Several projects are currently on hold due to the California Supreme Court decision to eliminate redevelopment agencies within the State of California. Projects that are currently on hold include: William Green Park Wading Pool Project, Playground Equipment Replacement Project, and the Hogan Park Renovation Project.

William Green Park Wading Pool Project – The project would have included construction of a new wading pool and new landscaping around the William Green Recreation Building. At this time, the initial plans have been approved by the County Health Department. The project was intended to be funded with Lawndale Redevelopment Agency bonds and has an estimated cost of \$150,000.

Playground Equipment Improvement Project – This project would include the replacement of the aging playground equipment at Jane Addams Park, Rogers-Anderson Park, and William Green Park. Construction documents including plans and specifications are complete. The project was intended to be funded with Lawndale Redevelopment Agency bonds and has an estimated cost of \$700,000.

Hogan Park Improvement Project – The project would include the closure of Osage Avenue between 167th Street and 168th Street, installation of new playground equipment, improvements to the park's infrastructure, and to the surrounding sidewalks, utilities, and public right-of-way. At this time, construction documents including plans and specifications are complete and are in review at the Los Angeles County Department of Building and Safety. This project was intended to be funded with Lawndale Redevelopment Agency bonds and has a total estimated cost of \$1,500,000.

Recycling Can Be Rewarding - Lawndale Neighborhood Wins Recycling Block Party

Lawndale residents from the 14800 block of Firmona Avenue came out of their homes on Saturday, April 21, 2012, to celebrate the first annual City of Lawndale Recycle Rewards Block Party, sponsored by the City of Lawndale, the City's trash hauler, Consolidated Disposal Service, and the City's consulting firm, HF&H Consultants. The Recycle Rewards Block Party commemorated the neighborhood's outstanding recycling efforts. During the past year (January - December 2011), more residents on the 14800 block of Firmona Avenue were setting out their blue recycling containers than any other block in the city. For their efforts, approximately 500 residents from the block were treated to a party featuring tacos, cupcakes, drinks, a live disk jockey, recycling demonstrations, games and an opportunity to climb inside of a new trash truck! Trash for Teaching, a local non-profit organization, provided an arts and crafts table where families learned creative ways to turn clean pieces of trash into art or science projects. Residents even learned ways to reduce their trash bill.

Although it is unclear when the next contest will be, encourage your neighbors to participate in the City's curbside recycling program. Use your blue recycling cart to recycle paper, cardboard, plastic jugs, bottles, clean food containers, metal, aluminum cans, and glass. If everyone pitches in together we can make a difference!

Don't Flush Your Medicines Down the Toilet!

The following are facts from the California State Board of Pharmacy about the effects of not properly disposing of medicines:

- A recent study shows that 80 percent of streams in the United States contain small amounts of human medicines;
- Sewage systems cannot remove medicines from water that is released into lakes, rivers and oceans;
- Fish and other aquatic animals have shown adverse effects from medicines in the water; and
- Very small amounts of medicine have been found in drinking water.

How to Dispose of Medications at Home

Follow these steps to protect your privacy and reduce unintended drug use, while saving the environment:

1. Keep medicine in its original child-resistant container and scratch out the patient information on the label;
2. Place some water into solid medications such as pills or capsules and add something non-toxic such as sawdust, kitty litter, charcoal, Comet or powdered spices;
3. Close and seal the container lids tightly with packing or duct tape and wrap blister packs of unused medicines in multiple layers of duct tape;
4. Place medicine containers in durable packaging that does not reveal what's inside, such as a cardboard box; and
5. Place in the trash close to garbage pick-up time.

Remember to keep medicines away from children and pets at all times.

Other Ways to Properly Dispose of Unused Medicine:

- Drop them off the Los Angeles County Sheriff's Department, South Los Angeles Station, located at 1310 W. Imperial Highway; or
- Pharmacy Medicine Return Program: Ask your pharmacist if the pharmacy will allow you to return old medicines; or
- Household Hazardous Waste Collection: Contact your household hazardous waste collection site in the government section of your local white pages telephone directory.

Help Reduce Drug Waste:

- If you are not sure if you can tolerate a new medicine, ask your doctor about a 10-day trial supply; and
- Remember to always take your medications as directed.

Important Bicycle Safety Message

Did you know that more than 51,000 bicyclists have died in traffic collisions in the United States since 1932, the first year that bicycle fatality statistics were recorded.

Of these deaths more than one-fifth is among school children between the ages of 5 and 15. These statistics are compiled and provided by the National Highway Traffic Safety Administration (NHTSA) on a yearly basis and can be accessed through their website at www.nhtsa.dot.gov.

We must be mindful that bicycles are not toys, but a vehicle and are subject to all the provisions applicable to a vehicle. As with a motor vehicle, bicycles are involved in traffic collisions as well. The following are the most common types of collisions between a bicycle and vehicle:

- Bicyclist entering a roadway from an alley or driveway;
- Bicyclist riding in the opposite direction of traffic;
- Bicyclist riding at night;
- Bicyclist making a left turn or sudden swerve; and
- Bicyclist failing to obey stop signs

Knowing this, the Sheriff's Department makes every effort to be proactive in enforcing bicycle laws and safety. However, issuing citations is only one way to address this issue. What we really need is the assistance of parents in educating their children about bicycle

safety. As parents we need to be a positive role model and set good examples for our children. Parents can do this by instilling good habits and safety practices in their children. The following are just a few examples of things you can speak to your children about:

- The importance of wearing a helmet as it is the law;
- Establishing rules as to when and where your children can bicycle;
- To look both ways before entering the roadway;
- Defensive riding techniques;
- Avoid night riding; and
- Adhere to the rules of the road.

By applying these common sense rules you will enhance your child's safety and reduce their chance of becoming a fatality. To learn more about bicycle safety, attend the City's Health and Safety Fair on June 23.

Fireworks in Lawndale

The City of Lawndale allows for the safe discharge of "safe and sane" fireworks within the city. Having fireworks at Fourth of July parties is a big part of any celebration. However, we must be well informed as to when and where we can use fireworks in the city. Knowing when and where to use fireworks will allow everyone in the city to enjoy the Fourth of July holiday. Our main concern is that every person is safe during this holiday period.

First of all, "safe and sane" fireworks will be sold only from authorized vendors. These are the vendors that you will see throughout the city. The fireworks vendors have gone through an application process and they sell only legal fireworks. They are the only fireworks vendors in the city which will have a sales license issued to them. If you are not buying fireworks from these approved vendors, you are probably not buying legal fireworks. Ensure that you are buying all of your fireworks from licensed fireworks vendors located in the city. **Also, you must be at least 18 years of age to buy fireworks.**

The City of Lawndale has designated a specific time frame for the discharge of fireworks. Per Lawndale Municipal Code Section 8.12.010: It is unlawful to discharge any fireworks not certified by the State Fire Marshal as "safe and sane" pursuant to the State Fireworks Law, Health and Safety Code Sections 12500;

- No fireworks may be discharged within the city prior to twelve noon on July 4th or after one a.m. on July 5th of any calendar year; and
- It is unlawful to discharge fireworks at any time within or upon a city park.

Violations of the fireworks municipal codes will result in receiving a citation.

We have seen that **illegal** fireworks have been a problem in the past. An easy way to identify legal fireworks is by locating a "safe and sane" label on them. The label can be found on the packaging of the fireworks. Law enforcement will use these labels to determine if a particular firework is legal.

The Sheriff's Department will be proactive in enforcing the city's laws regarding fireworks. The department will be issuing citations to those who illegally discharge fireworks and to those who possess illegal fireworks. Our goal is to ensure that everyone enjoys their Fourth of July holiday safely. We do not want to see any person injured or the loss of a house or business due to a fire caused by illegal fireworks.

If you wish to report the illegal discharge or illegal sales of fireworks, call the Lawndale Sheriff's Service Center at (310) 219-2750.

Programa de Alimentos Gratuitos USDA

El programa de alimentos gratuitos de la Ciudad de Lawndale está abierto al público de todas las edades que califiquen por tener necesidad de alimentos. Los alimentos son suministrados por el Banco de Alimentos del Sur de California y el Departamento de Agricultura de los Estados Unidos (USDA por sus siglas en inglés). El banco de alimentos obtiene y distribuye donaciones de alimentos nutritivos que la ciudad de Lawndale recoge de bodegas, empaqueta y distribuye semanalmente. Los alimentos recibidos cada semana varían y a menudo consisten en alimentos enlatados y algún tipo de vegetales frescos.

Información sobre la distribución de alimentos: La distribución de alimentos se encuentra en el nuevo centro comunitario ubicado en el 14700 de la Avenida Burin, en el salón de eventos especiales, en el tercer piso. Los alimentos son distribuidos cada miércoles a las 10:00 a.m. conforme vayan llegando y hasta que se terminen todos los alimentos para aquellos que califiquen. Las líneas para obtener alimentos, se forman temprano. Quienes obtengan alimentos, deben firmar confirmando que han cumplido con los reglamentos de EFAP. Para mayor información, por favor contacte a la oficina del Departamento de Servicios Comunitarios al (310) 973-3270.

El canal de televisión de la ciudad de Lawndale se cambia al canal 3

Ha habido grandes cambios en la tecnología y las leyes estatales que afectan cómo y cuándo pueden los residentes ver la televisión local, hecha especialmente para Lawndale. Por lo tanto, el canal de televisión de Lawndale está cambiando su nombre a Lawndale CityTV para servir mejor a sus televidentes. Para simplificar este cambio, ahora usted puede encontrar Lawndale CityTV en el Canal 3 en cable Time Warner y en el sistema de cable de Verizon FiOS. Todavía le traeremos todos los maravillosos programas locales que usted espera, como las juntas del Concejal de la Ciudad, eventos deportivos de high school y otros tipos de buena programación comunitaria. También, el boletín informativo de televisión de la ciudad de Lawndale, conseguirá su propio canal 24/7. Ahora también podrá ver mensajes importantes e información acerca de la Ciudad y otros eventos y programas comunitarios en el Canal 22 en el sistema de cable Time Warner y en el Canal 29 en el sistema de cable Verizon FiOS. Conforme los tiempos vayan cambiando, usted puede confiar en que Lawndale CityTV estará ahí por usted.

Farmer's Market Certificado de Lawndale

¿Sabía usted que Lawndale tiene su propio Farmer's Market certificado? ¿Por qué ir lejos cuando puede comprar fruta y verdura orgánica aquí mismo, de granjeros amistosos, a precios razonables? Cuando compra alimentos en el Farmer's Market de Lawndale, usted está contribuyendo a un medio ambiente responsable y a una vida saludable.

El Farmer's Market certificado de Lawndale opera todos los miércoles de 2:00 p.m. a 7:00 p.m. en el prado de la Biblioteca de Lawndale junto al Ayuntamiento. Si acaso usted nunca ha ido al Farmer's Market de Lawndale, lo puede encontrar en el 14615 de la Avenida Burin, cerca de la intersección de la Avenida Burin y la Calle 147, a una cuadra al oeste del Bulevar Hawthorne. ¿Le preocupa que esté muy oscuro? No se preocupe, el mercado está bien iluminado con alumbrado temporal.

El Farmer's Market de Lawndale también brinda buena comida preparada en el momento, mientras usted espera. Así es que si le interesa la buena comida y la buena compañía, visite el Farmer's Market Certificado de Lawndale, los miércoles. No quedará decepcionado.

El Departamanto de Obras Públicas se complace en brindarle un reporte con respecto al Programa de mejoras Importantes de la Ciudad (CIP por sus siglas en inglés). Las cinco categorías de los proyectos CIP incluyen: 1) mejoras a las calles; 2) mejoras al concreto (banquetas, aceras y coladeras); 3) mejoras al tráfico; 4) mejoras a los parques; y 5) mejoras a los servicios de la ciudad. Hay una serie de proyectos que se encuentran actualmente en construcción o están en su fase de planeamiento o diseño.

Por favor vaya a la página 8 para los Proyectos Actuales y los Proyectos pendientes.

Reciclar puede ser Gratificante Un vecindario de Lawndale gana la fiesta de La Cuadra de Reciclaje

Los residentes de la cuadra 14800 de la Avenida Firmona de Lawndale salieron de sus hogares el sábado 21 de abril del 2012, para celebrar la primer fiesta de la cuadra de reciclaje de la ciudad de Lawndale, transportistas de reciclaje de la Ciudad, Servicio de Desechos Consolidados y la firma consultora de la Ciudad, HF&H Consultants. La Fiesta de la Cuadra de Reciclaje conmemora un vecindario sobresaliente en sus esfuerzos por reciclaje. Durante el año pasado, (enero a diciembre del 2011) los residentes de la cuadra 14800 de la Avenida Firmona, sacaron sus botes azules de reciclaje, más que cualquier otra cuadra en la ciudad. Por sus esfuerzos, aproximadamente 500 residentes de la cuadra fueron invitados a una fiesta de tacos, panqués, bebidas, un disc jockey en vivo, demostraciones de reciclaje, juegos y una oportunidad de subirse adentro de un nuevo camión de basura. Trash for Teaching, [Basura para Enseñar] una organización local no lucrativa, proporcionó una mesa de artes manuales donde las familias aprendieron maneras creativas de convertir su basura en proyectos de arte o ciencias. Inclusive los residentes aprendieron a reducir su cuenta de la basura.

A pesar de no saber con certeza cuándo será el próximo concurso, alentamos a los vecinos a participar en el programa de la Ciudad de reciclaje en la banqueta y a que animen a sus vecinos a participar. Use sus botes azules para reciclar papel, cartón, botellas de plástico, botellas de vidrio, envases de alimentos limpios, metal, latas de aluminio y vidrio. ¡Si todos nos unimos la diferencia será muy grande!

¡No eche sus medicinas al excusado!

Los siguientes hechos del Colegio Estatal de Farmacéuticos, sobre los efectos de no desechar las medicinas inapropiadamente:

- Un estudio reciente muestra que 80 por ciento de los arroyos en los Estados Unidos contienen pequeñas cantidades de medicinas de humanos;
- Los sistemas de drenajes no pueden quitar las medicinas del agua que va hacia los lagos, ríos y océanos;
- Los peces y otros animales acuáticos han mostrado efectos adversos, debido a las medicinas en el agua; y
- Pequeñas cantidades de medicinas se han encontrado en el agua para beber.

Por favor vaya a la página 9 para ver como desechar las medicinas del hogar.

Importante Mensaje para la Seguridad de las Bicicletas

¿Sabía usted que más de 51,000 ciclistas han muerto en accidentes de tránsito en los Estados Unidos, desde 1932, el primer año que se registraron las estadísticas de las fatalidades por primera vez?

De estas muertes, más de una quinta parte ha sido de niños en edad escolar entre 5 y 15 años. Estas estadísticas se recopilaron y son proporcionadas por la Administración Nacional de Seguridad de Tránsito en las Carreteras (NHTSA por sus siglas en inglés) anualmente y se puede tener acceso a esa información en su sitio web www.nhtsa.dot.gov.

Debemos estar al tanto de que las bicicletas no son juguetes, sino un vehículo, y están sujetas a las disposiciones aplicables a todos los vehículos. Como con los vehículos motorizados, las bicicletas también tienen accidentes. A continuación tenemos los tipos de accidentes más comunes entre una bicicleta y otro vehículo:

- Ciclistas que salen a una calle desde un callejón o un 'driveway';
- Ciclistas que circulan en dirección opuesta al tráfico;
- Ciclistas que circulan de noche;
- Ciclistas dando vuelta a la izquierda o hacen un cambio repentino y;
- Ciclistas que no obedecen los letreros de alto

Sabiendo esto, el Departamento del Sheriff hace todos los esfuerzos para ser proactivos y hacer cumplir las leyes y seguridad de las bicicletas. Sin embargo, el expedir una citación es solo una manera de dirigirse a los ciclistas. Lo que realmente necesitamos hacer es tener la

asistencia de los padres para educar a sus hijos sobre la seguridad de las bicicletas. Como padres, tenemos que ser un ejemplo positivo y dar buenos ejemplos a nuestros hijos. Los padres lo pueden hacer inculcando buenos hábitos y prácticas de seguridad en nuestros hijos. Los siguientes son algunos ejemplos sobre lo que pueden decirles a sus hijos:

- La importancia de usar un casco y además es ley;
- Establecer reglas de cuándo y dónde pueden andar en bicicleta sus hijos;
- Mirar hacia ambos lados antes de salir a una calle;
- Técnicas defensivas al andar en bicicleta;
- Evitar andar en bicicleta en la noche; y
- Respetar las reglas del camino.

Al aplicar estas reglas de sentido común, usted mejorará la seguridad de su hijo y reducirá el riesgo de convertirse en una fatalidad. Para saber más sobre la seguridad de las bicicletas, asista a la Feria de Salud y Seguridad, el 23 de junio.

Fuegos Artificiales en Lawndale

La Ciudad de Lawndale permite prender fuegos artificiales "seguros y sanos" dentro de los límites de la ciudad. El tener Fuegos Artificiales el Cuatro de Julio en la casa, es una gran parte de cualquier celebración. Sin embargo, debemos estar bien informados sobre cuándo y cómo podemos prender los fuegos artificiales en la ciudad. Saber cuándo y dónde prender los fuegos artificiales, permitirá a todos en la ciudad, disfrutar la festividad del Cuatro de Julio. Nuestra preocupación principal es que todos estemos seguros y a salvo durante esta Fiesta.

Primero que nada, los fuegos artificiales "seguros y sanos" serán vendidos solamente por vendedores autorizados. Esos son los vendedores que verán por toda la ciudad. Los vendedores de fuegos artificiales han pasado por un proceso de solicitud y solamente

venden fuegos artificiales legales. Son los únicos vendedores de fuegos artificiales que tendrán licencia para vender. Si usted no compra de estos vendedores aprobados, probablemente no está comprando fuegos artificiales legales. Asegúrese de comprar todos sus fuegos artificiales de vendedores de fuegos artificiales con licencia, dentro de la ciudad. **También, debe tener 18 años para comprar fuegos artificiales.**

La ciudad de Lawndale ha designado un límite de tiempo específico para prender los fuegos artificiales. De acuerdo al Artículo 8:12.010 del Código Municipal de Lawndale: Es ilegal prender cualquier fuego artificial no certificado por el Jefe de Bomberos de California como "seguros y sanos" de acuerdo al Artículo 12500 del Código de Salud y Seguridad de la Ley Estatal de Bomberos;

- No se pueden prender fuegos artificiales en la ciudad, antes de las doce del mediodía del 4 de Julio o después de la una de la mañana del 5 de julio, de cualquier año; y
- Es ilegal prender fuegos artificiales en cualquier momento dentro de o hacia un parque de la ciudad.

Violaciones a los códigos municipales de bomberos darán como resultado en que se reciba una citación.

Hemos visto que los fuegos artificiales **ilegales** han sido un problema anteriormente. Una forma fácil de identificar los fuegos artificiales legales es ubicando la etiqueta que diga "seguros y sanos". La etiqueta se puede encontrar en el paquete de los fuegos artificiales. La policía revisará estas etiquetas para determinar si un fuego artificial en particular es legal.

El Departamento del Sheriff, tomará un papel proactivo para aplicar las leyes de la ciudad con respecto a los fuegos artificiales. El departamento estará dando citaciones a aquellos que prendan fuegos artificiales ilegales y a aquellos que posean fuegos artificiales ilegales. Nuestra meta es asegurarnos que todos disfruten un Cuatro de Julio seguro. No queremos ver a ninguna persona herida o que se pierda una casa o un negocio debido a un incendio causado por fuegos artificiales ilegales.

Si usted desea reportar que se estén prendiendo o vendiendo fuegos artificiales, haga favor de llamar a Lawndale Service Center al (310) 219-2750.
