Community Watch Programs Deter Crime! Start One on Your Block Today!

Community watch programs are one of the best deterrents to crime. They are a grassroots effort to take control of one's own neighborhood. Developed in the 1960's, they are a community movement with a mission to mitigate increasing crime.

The following are many of the benefits of a strong and committed Neighborhood Watch program:

- Crime deterrence;
- Creates a greater sense of security and reduces the fear of crime;
- Fortifies and emboldens the neighborhood;
- Reduces the risk of being victimized and in turn, reduces the physical, financial, and psychological impacts of crime;
- Instructs residents how to observe and report suspicious activities in your community;
- Addresses quality of life issues in neighborhoods;
- Gives your neighborhood a bigger voice; and
- Can be a catalyst to meeting your neighbors.

Starting a neighborhood watch program is easier than most people think and the rewards can be substantial and long-lasting. The process can be broken down into a few simple steps:

1. Begin with a planning committee. Gather a few neighbors that are willing to assist in starting a neighborhood watch.
2. Select a coordinator and block captain volunteers who are responsible for relaying information to members.
3. Recruit members from your block or neighborhood.
4. Keep up-to-date information on new residents and make an effort to involve the elderly, working parents, and young adults.

Need Help?

The sheriff's department is always willing to assist in the startup and can provide helpful advice. Contact Lieutenant Burcher at the Lawndale Service Center for questions on beginning a neighborhood watch, or to request participation at an established meeting.

Have You Heard of Lawndale's Graffiti Hotline?

Communities all over southern California are burdened with the effects of graffiti. Not only are the effects of graffiti costly and burdensome, the existence of graffiti can result in blight in a neighborhood and spread rapidly if not eliminated quickly. Graffiti that is not eliminated quickly can lead to more graffiti as rivals attempt to wipe out the graffiti of others and cover it with their own message.

However, the City of Lawndale has an effective tool for residents and business owners to combat the existence of graffiti – the Graffiti Hotline. The Graffiti Hotline is a public telephone line that records messages pertaining to graffiti in Lawndale. City staff checks the recorded messages left on the hotline several times per day and on weekends as well, and moves quickly to eliminate the graffiti. The hotline accepts messages on a 365/24/7 basis.

When you see an act of graffiti being committed, the best call you can make is to the Los Angeles County Sheriff's Department, Lawndale Service Station. However, if you are not able to see the act being committed while it is happening, the next best call you can make is to the graffiti hotline. **When you see it, call it in!** The Graffiti Hotline can be reached at (310) 973-3264. Please note that in many cases the City cannot encroach onto private property to eliminate graffiti.

Safe Routes to School – Phase II: Education and Encouragement:

The Safe Route to Schools (SRTS) project is a federally funded three phase project that identifies possible infrastructure improvements along proposed school routes, provides education to the public about the SRTS program and evaluates the effectiveness of the SRTS program for the Lawndale Elementary School District and the City of Lawndale. The three phases of the project are as follows:

- Phase I: Development of Walking Route Maps
- Phase II: Education and Encouragement
- Phase III: Assessment of Lawndale's SRTS Program.

The services shall incorporate the SRTS 4 E's – Encouragement, Enforcement, Education, and Evaluation. SRTS is a national program designed to increase the number of children and families who not only walk to school – but safely.

COMPLETED PROJECTS

Larch Avenue Street Improvements:

The project included street improvements on Larch Avenue from 147th Street to Marine Avenue. Construction began in January 2017 and was completed this past spring. The project addressed street infrastructure deficiencies such as poor pavement conditions, drainage issues resulting from damaged gutters, outdated wheelchair ramps, damaged driveway approaches and sidewalks. The project was paid for using Community Development Block Grant (CDBG) funds and Los Angeles County Measure R funds.

City Sidewalk Repairs:

The project scope of work included the repair of raised and damaged sidewalks, driveway approaches, curb and gutters, upgrading wheelchair ramps to meet ADA standards and localized pothole repairs. The target area included Hawthorne Boulevard, Manhattan Beach Boulevard, Marine Avenue and other city areas. This project was funded with both Proposition C and STP-L funds. The total construction cost was \$457,751.

Citywide Asphalt Repairs Project:

In June, the City Council awarded a construction contract to Hardy & Harper, Inc. for the City-wide Asphalt Repairs Project. Staff had inventoried numerous potholes throughout the City and have repaired them with a hot mix asphalt patch. Staff performed the project's final inspection and found the improvements to be in conformance with the project plans and specifications. The final construction cost was \$80,500.

Single family residents are eligible for four bulky-item pickups per year, with a maximum of four items per pick-up. Residents of multi-family properties can receive one free pickup per year, per unit, with up to four items. **Before you set your bulky items at the curb for pick-up, please call Republic Services to schedule a disposal appointment at (800) 299-4898.** If you do not notify Republic Services beforehand, a \$22.22 charge for each item collected will apply.

Holiday Tree Collection

Please remove all stands and ornaments before placing trees on the curb for collection. If a tree is longer than 7 feet, please be sure to cut it in half for an easy and safe collection. After January 6th, trees collected will count towards your 4 bulky item collections per year, so make sure you put it out for collection on or before January 6th. Please contact Republic Services at (800) 299-4898 for additional information.

Medication Disposal

Medicines play an important role in treating many conditions and diseases and when they are no longer needed it is important to dispose of them properly to help reduce harm from accidental exposure or intentional misuse. Consumers and caregivers should remove expired, unwanted, or unused medicines from their home as quickly as possible to help reduce the chance that others may accidentally take or intentionally misuse the unneeded medicine. For your convenience, the Walgreens in Gardena located at 1344 W. Redondo Beach Boulevard has a safe medication disposal kiosk. For more information, please call the Public Works Department.

SHARPS Collection Program

Residents of the City of Lawndale can receive SHARPS containers to safely dispose of their home-generated needles, syringes and lancets ("SHARPS") through the mail-back program offered by Republic Services.

Please do not throw used needles in the trash. Used SHARPS left loose among other waste can injure sanitation workers during collection, at sorting and recycling facilities, at landfills, or they can become lodged in equipment, forcing workers to remove them by hand. Children, adults, and even pets are also at risk for needle-stick injuries when SHARPS are disposed improperly at home or in public settings.

Lawndale residents can conveniently and safely dispose of SHARPS by following three easy steps:

Step 1: Residents can call Republic Services at (800) 299-4898 to request a free SHARPS Kit. Republic Services will mail the kit directly to your home. One kit includes one container, one pre-paid postage label and a form that must be completed.

Step 2: Residents fill up the container with used SHARPS.

Step 3: Residents mail the container back for safe disposal by using the pre-paid postage label provided.

Residents are limited to one free SHARPS mail-back kit every three months. Additional kits can also be purchased from Republic Services. Call Republic Services Customer Service at (800) 299-4898 to request your **FREE** kit today.

Santa Claus is Coming to Lawndale!

Mark your calendars and get ready for Santa Claus and his Sleigh to come through your neighborhood. Santa will be touring Lawndale looking for happy children to help spread the holiday cheer. Santa Claus will be in Lawndale for nine consecutive nights beginning Tuesday, November 28, through Friday, December 8, 2017. Because Santa has so much work to do this holiday season, he needs to get his rest and catch up on his sleep on weekends so there will be no Santa in Lawndale on December 2nd and 3rd.

When Santa comes to your neighborhood, look for the snowflake in the street; where ever Santa finds a large white snowflake that is where he will stop. Get in line early; because Santa has so many children to see and stops to make, he can't stay long!

If you want to be one of the first to see Santa this year, he will be the special guest at the City's Annual Angel Tree Lighting event on Monday, November 27, at 6:00 p.m. at the Lawndale Civic Center Plaza. The event starts at 4:00 p.m. Come early and get a good place in line.

Programas de Vigilancia Comunitaria para disuadir el crimen. ¡Comience uno en su cuadra hoy!

Los programas de vigilancia comunitaria son lo mejor para disuadir el crimen. Son las raíces de un esfuerzo para tomar el control de su propio vecindario. Se desarrollaron en los sesentas y son un movimiento comunitario con una misión de disminuir el crimen.

A continuación tenemos muchos de los beneficios de un programa de vigilancia de un vecindario fuerte y dedicado:

- Disuasión del crimen;
- Crea un mayor sentido de seguridad y disminuye el temor al crimen;
- Fortalece dando valor al vecindario;
- Reduce el riesgo de ser una víctima y a cambio, reduce los impactos físicos, económicos y psicológicos del crimen;
- Instruye a los residentes sobre cómo vigilar y reportar actividades sospechosas en su comunidad;
- Aborda a los problemas de calidad de vida en los vecindarios;
- Da a los vecindarios una voz más fuerte, y
- Puede ser un catalizador para conocer a sus vecinos.

Empezar un programa de vigilancia del vecindario es más fácil de lo que podría esperar la mayoría de la gente y sus recompensas pueden ser importantes y duraderas. El proceso puede dividirse en unos pasos sencillos:

1. Comience con un comité de planeación. Reúna a algunos vecinos dispuestos a ayudar a comenzar una vigilancia del vecindario.
2. Seleccione a un coordinador y organice voluntarios que sean responsables para ser líderes, para pasar la información a los miembros.
3. Reclute miembros de su cuadra o su vecindario.
4. Mantenga información actualizada sobre nuevos residentes y haga un esfuerzo para hacer participar a las personas mayores, padres que trabajan y adultos jóvenes.

¿Necesita ayuda?

El departamento del alguacil siempre está dispuesto a ayudar a comenzar y puede brindar consejos útiles. Contacte al teniente Burcher por cualquier pregunta que tenga sobre como comenzar una vigilancia en su vecindario, o para pedir participar en una junta ya establecida.

¿Ha oído hablar sobre la línea de Graffiti, de Lawndale?

Las comunidades por todo el sur de California se ven sobrecargadas con los efectos del graffiti. Los efectos del graffiti no solo son costosos y son una carga, la existencia del graffiti puede convertirse en una plaga en un vecindario y propagarse rápidamente si no se elimina rápidamente. El graffiti que no se elimina rápidamente, puede llevar a más graffiti en el intento de limpiar el graffiti de otros y cubrirlos con sus propios mensajes.

Sin embargo, la Ciudad de Lawndale tiene una herramienta eficaz para los residentes y propietarios de negocios para combatir el graffiti, la línea de Graffiti. La línea de Graffiti es una línea de teléfono para el público, que graba mensajes referentes al graffiti en Lawndale. El personal de la ciudad revisa los mensajes grabados que se dejan en la línea, varias veces al día, y los fines de semana también, y se moviliza rápidamente para eliminar el graffiti. La línea acepta mensajes 365 días al año, las 24 horas y por siete días a la semana.

Cuando usted vea que se está cometiendo un acto de graffiti, lo mejor que puede hacer es llamar al Departamento del Alguacil del Condado de Los Ángeles, Estación de Servicio de Lawndale. Sin embargo, si usted no puede ver cuando se está cometiendo la infracción, lo mejor es llamar a la línea de graffiti. ¡Si lo ve, llame! El número es (310) 973-3264. Le informamos que en muchos casos la ciudad no puede invadir la propiedad privada para eliminar el graffiti.

Desecho de medicinas

Las medicinas juegan un papel muy importante en cuanto a tratar muchas condiciones y enfermedades y cuando ya no se necesitan, es importante que se desechen adecuadamente para reducir el riesgo de causar un daño por exposición o mal uso intencional. Los consumidores y cuidadores deben sacar de la casa, lo más pronto posible, todas las medicinas, vencidas, no requeridas o que no se usen, para disminuir la posibilidad de que otros accidentalmente hagan mal uso de las medicinas que no necesiten. Para su conveniencia, Walgreens en Gardena, ubicada en el 1344 W. Redondo Beach Boulevard, tiene un kiosco para deshacerse de medicinas, con seguridad. Para mayor información, llame al Departamento de Obras Públicas.

Programa de Recolección SHARPS

Los residentes de la ciudad de Lawndale pueden recibir envases SHARPS para disponer con seguridad de agujas, jeringas y lancetas que se hayan usado en el hogar ("SHARPS") a través del programa mándelo de vuelta por correo, ofrecido por Republic Services.

Por favor no tire las agujas a la basura. Los artículos SHARPS que se dejan con el resto de la basura pueden herir a los trabajadores de saneamiento durante la recolección en las instalaciones de clasificación y reciclaje, en los tiraderos de basura, o se pueden atorar en equipos, haciendo que los trabajadores los quiten con las manos. Los niños, adultos y hasta las mascotas, corren el riesgo de picarse con agujas, cuando no se desechan adecuadamente los artículos SHARPS, en la casa o en público.

Los residentes de Lawndale pueden disponer convenientemente y con seguridad de los artículos SHARPS, con los siguientes tres pasos fáciles:

1er Paso: Los residentes pueden llamar a Republic Services al (800) 299-4898 para pedir un estuche SHARPS. Republic Services le enviará el estuche directamente a su casa. Un estuche incluye un envase, una etiqueta con el porte pagado y una forma que debe ser completada.

2o Paso: Los residentes llenan el envase con los artículos SHARPS usados.

3er Paso: Los residentes regresan por correo el envase con seguridad, utilizando la etiqueta con el porte pagado.

Los residentes tienen un límite de regresar un estuche con sus artículos SHARPS, cada tres meses. También se pueden comprar estuches adicionales en Republic Services. Llame a Servicio al Cliente de Republic al (800) 299-4898 para pedir su estuche **GRATUITO** hoy.

Santa Claus viene a Lawndale

Marque sus calendarios y prepárese para recibir a Santa Claus y su trineo que pasará por su vecindario. Santa estará dando la vuelta por Lawndale buscando a niños felices para ayudar a difundir la alegría de las fiestas. Santa Claus estará en Lawndale durante nueve noches consecutivas, comenzando el martes 28 de noviembre, y hasta el viernes 8 de diciembre de 2017. Como Santa tiene tanto que hacer en estas fiestas, necesita descansar y dormir los fines de semana, entonces no pasará por Lawndale el 2 y 3 de diciembre.

Cuando Santa pase por su vecindario, busque el copo de nieve en la calle; donde quiera que Santa encuentre ese copo de nieve blanco y grandote, ahí es donde se va a parar. Fórmate temprano porque Santa tiene tantos niños que ver y tantas paradas por hacer, que no se puede quedar por mucho tiempo.

Si quieres ser uno de los primeros en ver a Santa este año, él va a ser el invitado especial en el evento de Iluminación del Árbol de Ángeles de la Ciudad, el lunes 27 de noviembre a las 6:00 p.m. en la Plaza del Centro Cívico de Lawndale. El evento comienza a las 4:00 p.m. Ven temprano para que encuentres un buen lugar en la fila.
