WeHo
REC READER

The WeHo Rec Reader is published four times a year by the City of West Hollywood's Recreation Services Division.

From the Director

West Hollywood Recreation ushers in 2020!

Welcome Rec Readers! As the year 2019 comes to an end, we can reflect on this as being a very productive year. Productive can mean several things; such as park and recreation employees being responsible stewards of the parks, implementing fun and trendsetting programs, remaining diligent in their responsiveness to the public, creating spectacular special events, and also just building a positive relationship with our West Hollywood community.

Factor in new projects such as the upcoming Aquatic and Recreation Center currently under construction at West Hollywood Park, along with participation numbers at an all-time high; I think this has made for a very productive and fulfilling year.

SEVERAL THINGS TO LOOK OUT FOR IN THIS ISSUE:

TOT PROGRAMS – Tiny Tots Parent and Me, Tot Time, Tot Bootcamp, Baby Boogie, Baby Sign, and Ooey Goey Messy Fun are here to provide our pre-k youth with engaging activities that foster development, socialization, and play.

WINTER CAMP – Camp WEHO Arctic Adventure will embark on the COOLEst camp experience yet!

WEST HOLLYWOOD TEEN CENTER – Ongoing popular programs such as Teen Chef, Teen “Me Day”, Teen WeFit, along with monthly VolunTEEN Opportunities will be offered at Plummer Park’s Teen Center. Did you know we have been featured on WeHo TV?

“ALL STARS” AFTERSCHOOL CLUB – West Hollywood Park’s Skyroom is the hub for all things afterschool, such as homework assistance, youth leadership development, organized games, arts and crafts, and more.

New!

SUPER SCIENCE KIDS – Spend your Sunday with Science! Your child’s curiosity will be sparked while learning unique and exciting hands-on experiments.

FUN-DAMENTALS OF BASKETBALL – West Hollywood Park’s Auditorium is where teamwork makes the dream work! Youth ages 4-7 will learn the essential skills and drills in one of our most popular sports programs.

BOWS OF FURY ARCHERY – Archers unite on Friday nights this winter. Invoke your inner super hero while learning the fundamental skills of archery.

AQUATICS – Get Fit and Stay Fit at the West Hollywood Aquatic Center! Get a head start on your physical fitness goals for the new year and join us for a custom private swim lesson, lap swim, Recreation swim, and Just Add Water Fitness Club.

WINTER MOONLIGHT SENIOR DANCE – Plummer Park’s Fiesta Hall will be festive and fun while you enjoy a live band, dancing, and more

EXCURSIONS – Huntington Harbor Cruise of Lights and an outing to Santa Barbara will have you beating the holiday rush.

Have a great winter season and please stop by our parks and Aquatic Center anytime to pick up brochures, flyers and general information for all that is taking place in West Hollywood. Here’s to 2020!

Sincerely,
Steve Campbell, Director

Creative Nonfiction 101 *New!*

Ever thought your life could be a book?

Or perhaps you've thought about writing a personal essay. This course will give you an introduction to the growing world of Creative Nonfiction. What makes a nonfiction work creative and how can we incorporate the creative part of "creative nonfiction?" Memoirs are literary accounts of something factual (Merriam-Webster definition: a narrative composed from personal experience), and what makes them different from traditional forms of nonfiction like the autobiography and biography is their ability to take interesting and new forms, crossing genres, sometimes incorporating fiction and the lyrical essay. We will explore notable works by Patti Smith, Joe Brainard, and James Baldwin, to name a few, and you will get to try your hand in this ever-timely genre. Please bring a notebook and something to write with.

Self-Care 101: Trigger Point Massage

"Trigger Points" are "knots" in muscle tissue that may restrict your flexibility. They also create predictable pain referral patterns to other areas of the body that seem unrelated. For instance, some back pain can start from a trigger point found in your calf muscle. Who knew? In this workshop you'll learn how to: prevent/manage common areas of pain and stiffness (neck, shoulders, back and hips) by addressing the possible underlying causes. You'll also learn how to identify trigger points, apply self-massage safely and effectively, and expand knowledge of your own physical anatomy. *No prior experience necessary. Wear comfortable clothing and bring an exercise mat if you have one. Instructional visual aid download will be provided.

Our soft rubber "no sting" balls help to create an environment that welcomes all people from prom queens to drag queens. Our goal is to provide a fun and active alternative to people looking for a social scene in the West Hollywood area.

While the goal is to eliminate your opponents on the court, the social part of Dodgeball is just as important as the game itself. WeHo Dodgeball's commitment to community outreach is a cornerstone of our operating charter. From fundraising for local charities to participating in health and fitness events, our members partake in a wide-array of charitable endeavors aimed at strengthening our connection to the community we call home. Put on your short shorts and knee pads and get ready to rock out to loud music and throw balls at people.

2 leagues to choose from! Tuesday nights and Thursday nights! Both take place at the West Hollywood Auditorium, with games at 7 pm, 8 pm & 9 pm.

Is your child age verified?

All current and new accounts for children ages 17 and under must be age verified to participate in any of the Recreation Services Division's youth programs. Proof of age must be submitted in person two (2) weeks before the scheduled program begins and must be an original legal document such as a birth certificate, passport, identification card, or insurance card. Documents are noted in our system, and immediately returned back to you. So stop by Plummer Park, West Hollywood Park, or West Hollywood Aquatic Center and a Recreation Services Division staff member can assist you with getting your child(ren) age verified.
